Lyons-Wragg Issue Could Go To Voters

Town Manager Jared S.A. Clark con-
firmed this week that town meeting could
be asked to provide some sort of financial
aid to John Lyons and John Wragg for
legal expenses incurred in the suit brought
against them by former Asst. Supt.
Edward Regan.

Clark said that no final decision has
been made with respect to involvement of
Town Meeting, but added that the prime
concern of the selectmen at this point is to
resolve the four-year-old issue in a
manner least expensive to the town "and

taking equity into consideration."
He said the amount that would be asked,
if that was the route he decided to go, is
still under consideration. The other alter-
native to going to Town Meeting, he said,
is not to pay.

He said there was a "good chance" the
matter would come up before the
selectmen in public session Monday night.
They meet at 7:30 p.m. in Memorial Hall
Library.

Shawsheen May Get Mains

Shawsheen residents, plagued by rusty
water for many of months now, may get
new water mains after all.

Town Manager Jared S. A. Clark said
this week that there had been a recurrence
of the bad water conditions on at least two
occasions since the town thought the
problem was solved, and so he was plan-
ning to present an article in October Town
Meeting to replace them.

He said time was drawing to a close to
get the materials ready for town meeting,
and so he has directed Public Works
Director Robert McQuade to determine
which mains would need to be replaced,
and estimate a cost.

Clark said he would expect to ask for a
bond issue in the amount of about \$1
million.

If the problem clears away by Town
Meeting, he added, the article could be
withdrawn.

Clark said it was "unreasonable" to ex-
pect the people in Shawsheen to continue
to purchase bottled water or hand carry it
from the Abbot Well.

He said that while it was portable, they
should enjoy water of the same clarity as
everyone else, and that they had suffered
enough aggravation, particularly in the
areas of Lower York and Carisbrooke
Streets.

He said the town has done everything
that it reasonably could without a signifi-
cant expenditure, but "it doesn't seem to
work."

He said that while the water department
has been committed to flushing the mains
it hasn't been getting other important
work done. Furthermore, he said, they've
also been wasting a terrific amount of
water in the flushing process — water
which has been treated and therefore has
to be paid for.

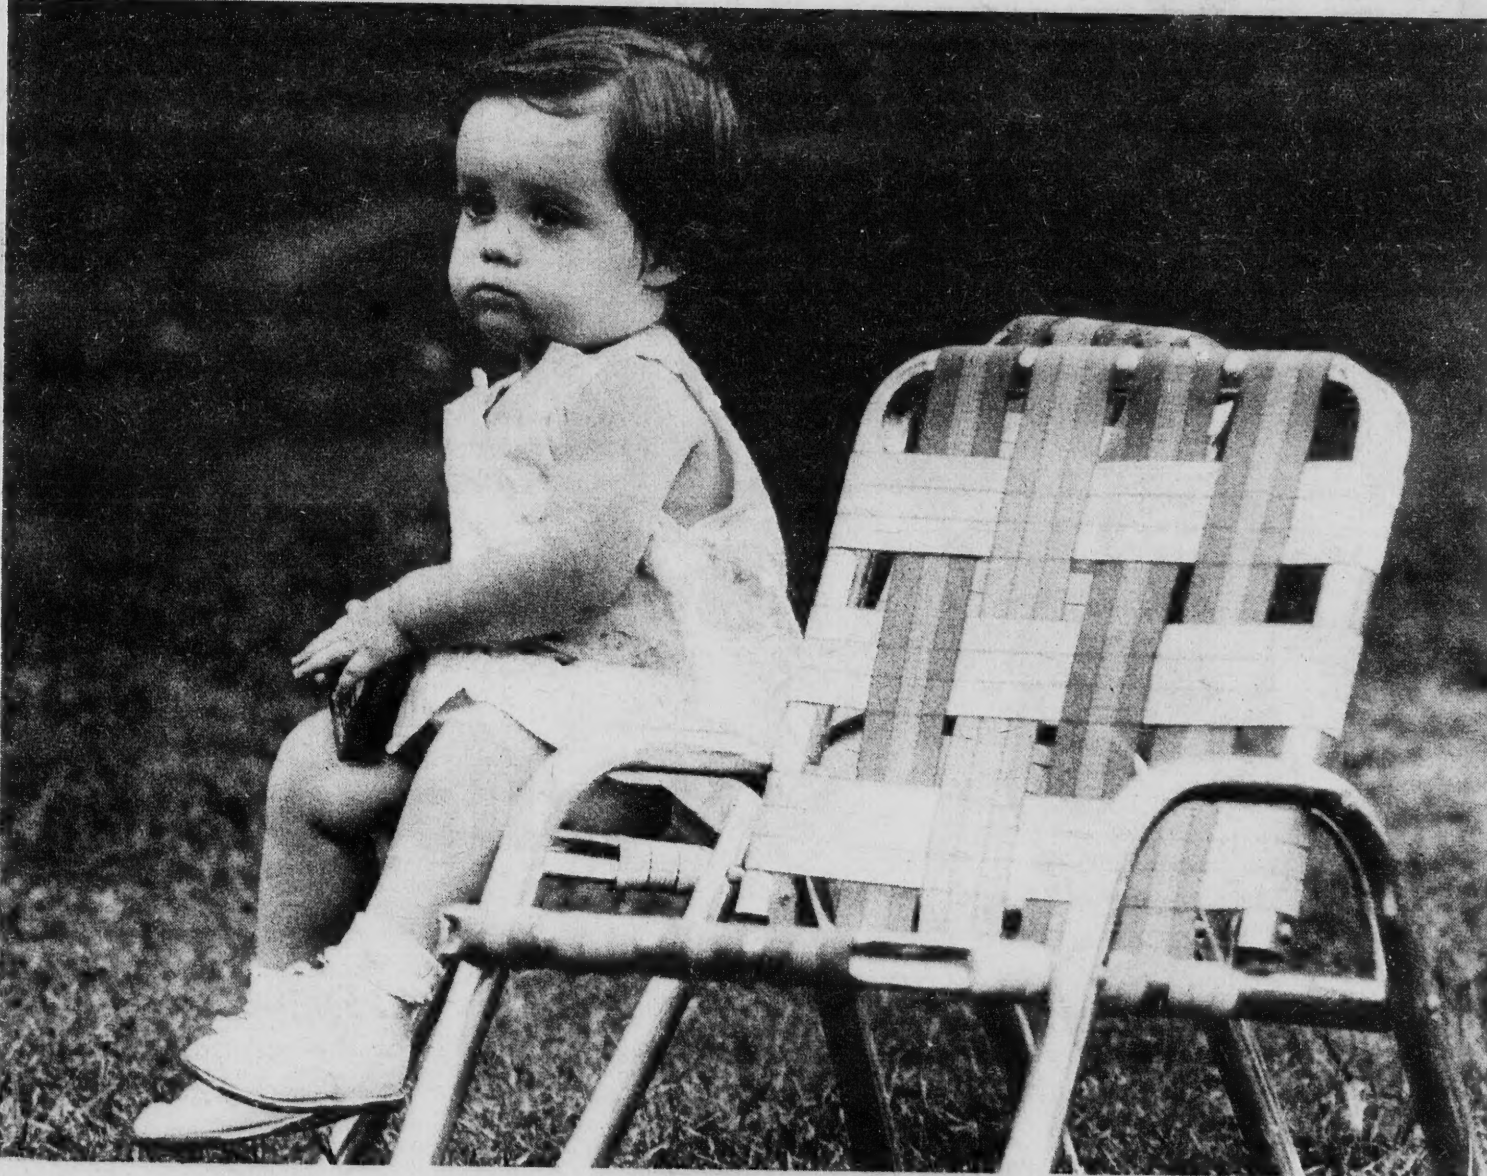

"To continue as we have been is just
plain wasteful," he said.

Clark estimated that the problem has
cost the town more than \$3,000 in foam
plugs for the cleaning process; at least
\$15,000 in labor, and an estimated \$3,000
for water.

He said he would be issuing some sort of
credit to the water bills of approximately
100 homes that have not had full use of
their water. That amount, he said, would
be about \$4,000 more.

It's Not My Kind Of Music

Danielle Rizzo, 2, daughter of Mr. and Mrs.
Richard Rizzo wasn't exactly thrilled with the
musical fare in the park last Thursday night. The
Top 50 Tunes concert, however, went over much
bigger with the older set. The final concert, the
Big Band Sounds, will be next Thursday at 7.

Dual Computers Recommended

Backed up by members of his Computer
Advisory Committee, Chairman George
Orfanedes Tuesday night unveiled a plan
for dual computers for the town and
schools, at a cost of some \$500,000 over the
next five years.

While the superintendent and town
manager have given favorable nods to the
committee's findings, it still remains for
an okay to come from the policy-making
bodies. The selectmen will also have to
request a \$20,000 transfer from the
Finance Committee to fund the first phase

this year.

Orfanedes said they would like to com-
plete final contract negotiations with the
vendors at the beginning of September in
order to insure delivery of the hardware
by late November.

Otherwise, he said, the demand for the
computers is becoming so great they
might have to wait another six months.

If given the green light, he went on, the
first town business to come off the new
equipment could be the January, 1979
payroll, the first of the new year.

Committee Formally Introduced

The School Building Committee, which has been meeting three to four times a week since mid-June, was formally introduced to the school committee, selectmen and finance committee at a joint meeting Tuesday night.

Town Manager Jared S.A. Clark noted that it wasn't possible to arrange for an introduction in the beginning, because the committee had "to get of to a flying start" in order to have a complete school plan to bring back to Spring Town Meeting.

Chairman Robert McIntyre, who has been a part of three previous building committees, said the others had never been closely tied to the other town bodies, and he invited the school committee, selectmen and Fin Com to attend any future sessions. He said they usually meet Monday at 7:30 in the Stowe School conference room, and often Thursday as well.

He explained the process they went through to cull the list of 66 prospective architects down to Perley Gilbert Associates of Lowell. The next important progress point is Dec. 1, he said, when they will have to set their priority ratings with the state School Building Assistance Bureau.

Supt. Kenneth R. Seifert said that

means providing documentation that the town is aiming at the highest priorities of the state first — namely using old buildings before constructing new ones.

"I don't think we'll have any problem there," he added.

McIntyre said the state board will then meet toward the end of December to schedule Andover's project and to reserve estimated funds.

He said the bids will come in March or April and that after town meeting approval, they could expect the monies to actually be allocated.

The important thing, Clark added, "is that we make sure we meet and conform with the state requirements. We have to make sure we do everything correctly."

If so, the town is in line for 50 percent reimbursement of costs they're trying to keep to \$10 million while renovating East

Jr. High and providing renovations and additions at West Jr. High and the High School.

Special programs at the New England Aquarium include "Inside the Ocean Tank" and "The Whales." The Aquarium, Central Wharf, Boston, is open Monday through Thursday, 9 to 5; Friday, 9 to 9; Saturday, Sunday and holidays, 9 to 6.

Town House Topics

Schools Not In Breakfast Business

"The school committee shouldn't be in the food business," Supt. Kenneth R. Seifert told the board Tuesday night, and recommended that they not vote to institute a breakfast program.

A new state policy leaves the breakfast decision up to local boards.

While he said he wasn't against nutrition, Seifert said he felt that if there was a need for a breakfast program, it should be provided by

some other agency.

He said that while the state maintains that the full cost of breakfast programs would be reimbursed by federal funds, he expected it would cost the town in the long run.

He said the need was minimal in Andover, with only about 100 out of 6300 pupils now qualifying for the free lunch program.

The committee obliged by voting 4-0 against breakfasts here. Committeeman Alan Doerr was absent.

But Lunch Goes Up To 40 Cents

Also on the subject of food, Cafeteria Director Richard Barron will be allowed to increase the price of hot lunches from 35 cents to 40 cents.

Business Manager Edward Maguire told the school committee that the cafeteria operated with a very small surplus last year, and that the price of lunches has been at 35 cents for the past six years, in spite of inflation in every other

area.

He said it seemed most feasible to institute the increase at the beginning of the school year, and was given permission to do so.

Committeeman Joseph Finn said he was amazed that they'd been able to keep the cost down so long, and Maguire confirmed that most of the other schools in the area have been charging more.

Audit Proposals Due Sept. 1

Eight firms interested in auditing the town's financial affairs conferred with town officials last week, and their proposals are due in the town manager's office by Friday, Sept. 1.

Asst. Town Manager Sheldon

Cohen says they'll be hearing the individual firms' proposals the first two weeks in September and are looking to have a decision in time for the work to be completed during October.

The last audit was done in 1976.

Gas Co. To Try To Comply

Town Manager Jared S.A. Clark says officials of the Bay State Gas Co. have agreed to attempt to modify their procedures to comply with town policy.

Clark met with them this week after it appeared that some residents have been sold gas service, despite a selectmen policy that streets that have been paved within the past five years are not to be opened for new service.

Clark said such cases put the town in "rather an incompatible position" with new residents who have equipped their homes for service, and then are refused a permit

by the town.

This puts individuals on notice, he said, that they cannot put gas service in a new home if the street has been recently paved. They will have to arrive at other methods of heating instead.

Clark said the gas company was going to jack underneath River Road to provide service to one family that had been sold it, but had been refused a permit.

He chalked the recent misunderstandings off to "lack of communication between sales and service personnel" at the utility.

Neighbors To Meet On Green

The Friends of Shawsheen Neighborhood Association is planning a general meeting of members and anyone interested in joining Saturday, Sept. 9 at 10 a.m. on the "Bowling Green" in Shawsheen Square.

The "Green" is now town property and was an integral part of Shawsheen

Village when it was originally built. ball game on the field across the street.

Coffee and donuts will be served, and the meeting will be followed by a soft-

Gift For Residents

Betty Nicholson, of Andover, director of the Fidelity House residence in Andover, and Exchange Club President Philip Sullivan pose before the House's "new" station wagon.

Fidelity House Gets New Wheels

Fidelity House, a residence for mentally retarded adults on Bartlet Street, got a boost recently from the Andover Exchange Club.

Through a gift from that organization, Director Lillian Pease reports that Fidelity House was able to replace their old Andover auto, which was "gasping its last breath," with a "new" 1976 Chrysler, nine-passenger station wagon.

The local residence is affiliated with a larger, Greater Lawrence organization, and offers eight adults an opportunity to live life as close to normal as possible.

Many retarded persons presently in state institutions, and others who no longer have anyone to care for them at home, would function better in a normal living situation, Mrs. Pease maintains.

At Fidelity House they learn skills required for personal care — such as how to use the phone, buses, money and household appliances — and they maintain the residence themselves.

Fidelity also provides for rehabilitation programs and education day programs, depending on an individual's needs, and encourages on-going contact with family

A 40 to 1 longshot, "Nickel Coin," won the Grand National Steeplechase in 1951 after being trained on a diet of duck eggs and beer.

League Co-Sponsors Candidates Night

A pre-primary Candidates Night will be held in the Lowell Auditorium, Merrimack Street, Lowell, Sunday, Sept. 10 beginning at 7 p.m.

The Leagues of Women Voters of Andover, Billerica, Lowell, Methuen, North Andover and Tewksbury are jointly sponsoring the event which will feature all candidates for the 5th and 6th Congressional District races, plus several gubernatorial and U.S. Senate candidates.

The candidates will be questioned by a panel consisting of Kendall Wallace, managing editor of the Lowell Sun; Dan Warner, managing editor of the Lawrence Eagle-Tribune and Susan Wiltshire, president of the League of Women Voters of Massachusetts. Moderator is Ted O'Brien of Channel 7. 5th Congressional candidates will speak at 7 p.m., 6th at 8 p.m., gubernatorial at 8:35, and U.S. Senate at 9:30.

Candidates seeking the offices of lt. governor, secretary of state, state treasurer and state representative (from the six-League region) will be introduced at 8:30 and will

be available in the reception area later. Printed material for these candidates will be available, including a description of the office, term, and salary plus 80-word, unedited answers to questions asked by the League of all candidates.

By working regionally the Leagues hope to attract all candidates, a large audience, and prepare the voter for the Sept. 19 primary. Nonpartisan voter information will be available to the public throughout the fall election time.

For more information contact Peggy Atanasoff, voter service chairman; Joyce Robinson, Andover

LWV president; or Janet Lake, Region IV field service consultant.

The Scharfman Fund of the LWV also sponsors a Voter Information Phone (1-800-882-1649) staffed five days per week from 10 a.m. to 2 p.m.

Lomazzo In Medical Corps

Air Force Captain Robert M. Lomazzo, son of Mr. and Mrs. Salvatore N. Lomazzo of 159 Chadwick St., North Andover, has graduated from the U.S. Air Force medical service officers orientation course at Sheppard AFB Tex.

The course is designed to acquaint newly commissioned Medical Corps officers with professional and administrative procedures of the Air Force.

Capt. Lomazzo now goes to Seymour Johnson AFB, N.C., where he will serve as a dentist with a unit of the Tactical Air Command.

The Captain, a 1970 graduate of Austin Preparatory School, received a B.A. degree in 1974 at Holy Cross College and a D.D.S. degree in 1978 at Columbia Dental College, New York City.

Bach Program At Castle

Hammond Castle will present Douglas Marshall in a Best of Bach Organ Concert Saturday, Aug. 26 at 8:30 p.m.

Marshall has completed a series of 10 concerts covering the complete works of Bach at Hammond Castle. The Best of Bach Concert will be an all request concert from Concert-goers who have submitted their favorite selections from this series.

Born in Chicago in 1948, Marshall began his musical career as a boy soprano, performing at Trinity Church in Boston and touring with George Faxon. He began organ studies at age 13, and at 17 became one of a limited number of students of organist Virgil Fox. He later attended the Boston Conservatory of Music and in 1972 won first prize at the American Guild of Organists competition. He is currently organist for the Pelopon Chorale, with whom he has toured Rome. He is director of the Rodger Organ Div. at Boston Organ & Piano, Inc.

For reservations and information call the Hammond Museum.

Voter Info By Phone

The League of Women Voter Information can help people in Massachusetts understand their government. By calling 357-5880 (or toll-free 1-800-882-1649) anyone in the Commonwealth can get quick answers to questions about government procedures and regulations, current legislation, names and addresses of government officials and can get help in unraveling governmental red tape.

Breakfast can be a dull meal . . . some people won't even talk until they have downed several cups of coffee. Repartee . . . there usually isn't any.

This is not the case with breakfast at the Towne Deli.

Good, fresh food and lots of it . . . good humor and lots of laughs have been the catalysts which have resulted in sort of an unofficial breakfast club. These "regulars" gather here mornings for a hearty breakfast and friendly chatter that all enjoy. They've found it's a great way to start the day . . . even on Sunday.

There are no dues and you need no formal invitation to join. Come in and bring a friend any morning.

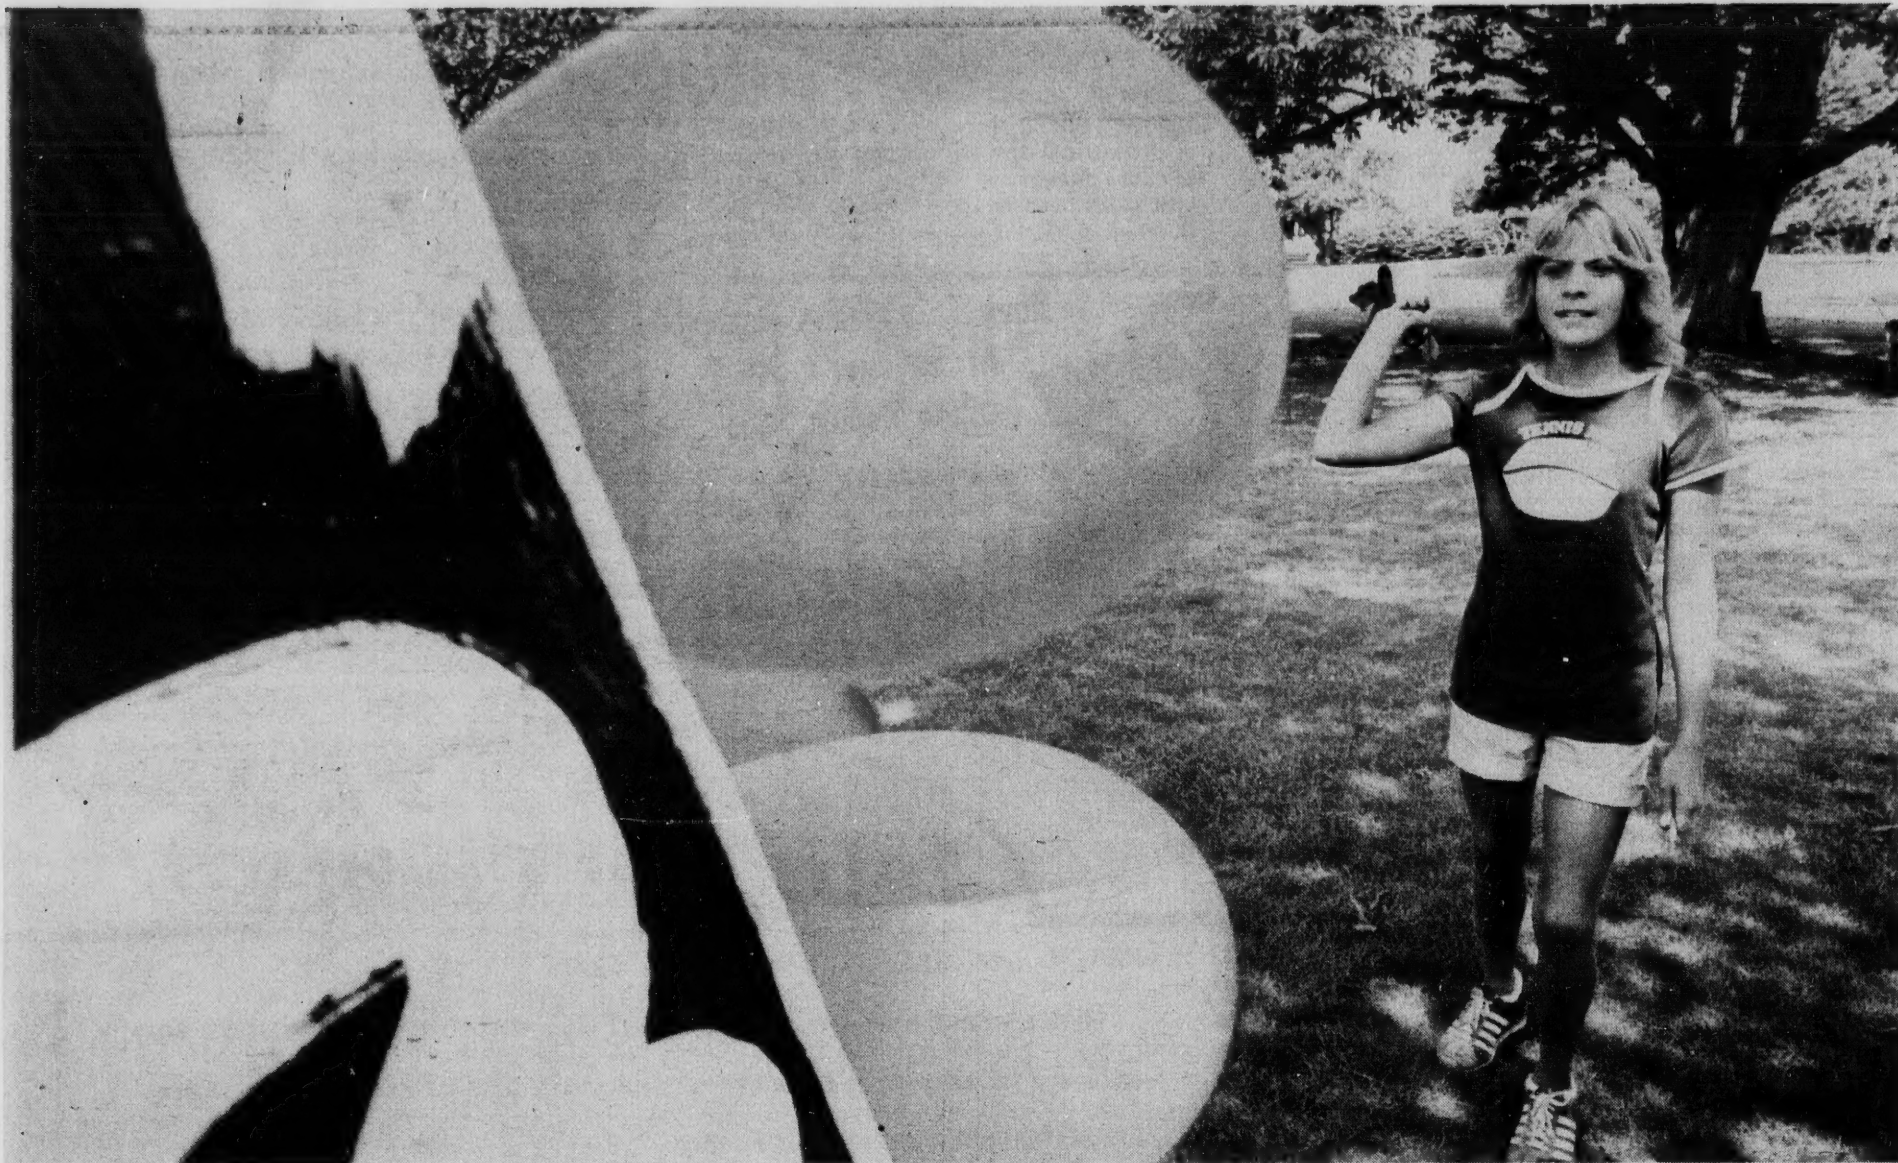

People vaguely remember "Breakfast at Tiffany's" . . . but they'll never forget breakfast at Towne Deli — it could prove to be your most enjoyable meal of the day.

Cheryl Lasota, 12, takes her turn at the dart-and-balloon game during the recent Recreation/Community Schools-sponsored Peanut Carnival in Central Park. All the playgrounds participated.

Playground Season Ends

Ballardvale

We were all sad to see our 1978 playground season come to an end in Ballardvale. We started the 8th week off with warm fuzzy making on Monday. Ann Mernane was covered from head to toe with the little creatures. Tuesday was our pie eating contest, a few of the contestants were Steven Mills, Graig Baker, Kim Yonaker and our winner was John Cropper eating a pie in a mere 33.4 seconds.

Wednesday was the big event of the year, the annual field trip to Canobie Lake Park. Richie Meyers and Christian Heller spent the entire day in kiddie land. They hit every ride at least twice. As usual we spent the last half hour of the trip looking for Timmy Nolan who as a ritual is always late. All in all the trip was a great success. Thursday and Friday was devoted to cleaning and packing. Although it was sad at the thought of ending, everyone enjoyed the work. We finished off the year with our weekly cookout and s'more making. From everybody in Ballardvale we would like to say good-bye and see you next year!!!

Doherty

As always the Doherty School

Playground has a lot happening for the past two weeks. Of course we had plenty of fun games and crafts, but the highlight of the 7th week was on Friday when the Annual Parents Day was held. Breakfast was served at 10 a.m. The menu consisted of blueberry crepes, two watermelon boats, coffee, juice and donuts. It was a

huge success and plenty of parents attended. As an added feature we had a song and dance group that danced their way into our hearts. After they finished, a talent scout wanted to sign them up, but they refused saying that they had to ask their mothers first. Friday was a "swingin'" day!

The 8th and final week started off in a gooey way with everybody making chalk sticks, and the rest of the day playing games with it. Tuesday was spent making ribbons for the awards assembly on Friday. Canobie Lake was a huge success with more than 60 kids going from the playground. Thursday a group went to Pumps Pond and the remaining kids at the playground played low-key games due to the heat.

Friday was the last day of the 1978 playground season. It ended with an awards assembly, ice cream smorgasbord and our last barbecue. The flag will fly at halfmast because it will be a sad day at Doherty — "sigh." Good-bye from the staff at Doherty and we hope to see you all back again next year!!

Sanborn

The final week at Sanborn playground began with Kim's birthday. All the favorite games of the summer were once more played in the gym and out in the field. Outstanding players were, Steven Guschov, Masa Kaleel, Matt McHendry, John Terrion, Brian, Beth, Brenna and Brad Cronin.

Tuesday Martha and Patty took a group of cyclists to the Rose Glen Dairy. They enjoyed ice cream and the ducks. Back at the playground outdoor games continued.

Wednesday was our annual trip to Canobie Lake Park. Forty five kids from Sanborn participated in the trip, and everyone enjoyed it.

Thursday we made hero sandwiches. Michelle Franz and Mary F. Bishop were among the star sandwich eaters.

Friday, our last day, began with an awards assembly. About 50 awards were given out. Top awards went to Gwenney Grant and Brian Cronin for being best all around playgrounders. A party and cookout followed. The day ended with a grand finale candy shower which rained down upon all the kids at Sanborn playground.

It was a super spectacular summer at super spectacular Sanborn! Thanks for

joining us — we hope to see you all back next summer. Until then we wish you a super spectacular school year!

Shawsheen

The week started off with a slow pace due to extreme heat and anticipation of our trip to Canobie Lake Park. We played indoor games to try to keep cool! Joey Cormier won the fleeceball home run crown. Second were Bobby Charland and Briant Gaudet.

Mike Romano and Sean Ross spent their entire afternoon on the Canobie Lake

roller coaster on Wednesday. All had a good time and everyone got back to the bus on time.

South invited us over for a cookout and softball on Thursday. Janice found a pretty supply of gimp there and Carla, Ann and Bob put out a nice spread for a cookout.

Friday we had a large turnout for our last official day. We made our own ice cream sundaes, and the kids finished off all the toppings without any ice cream to compliment it.

Mary Alice, Janice and Steve want to thank all of the kids, parents, custodians and Miss Dobie for a very enjoyable summer. We wish you the best in the upcoming year.

West Elementary

Can you believe the summer is over? We had a terrific summer and hope you did too. We ventured to Benson's Animal Farm and cruised around Boston Harbor.

Our trip to Canobie Lake will never be forgotten. Our parent's day was great and Nancy Butler was named Ms. West '78. We celebrated Halloween in July and visited the 50's with the Fonz & Laverne & Shirley. Our super kickball, softball and hockey team had a good season and we are

"Life is a jigsaw puzzle with most of the pieces missing."

Anonymous

very proud of our good sports! Arts and Crafts were a hit on the playground and we made plaster molds, paper mache masks, moon rocks, pom-pom people, tie-dye tee-shirts, clay designs, placemats, stationary and puppets. Our baby picture contest was the cutest and the trip to Rose Glen Dairy and the bowling alley were a lot of fun.

Barry, Luan and Ann would like to thank all the kids who helped to make our summer so much fun!

Big Band Sounds

This summer's final outdoor concert will take place in Central Park at 7 p.m. next Thursday, Aug. 31. Musical selections will feature sounds of the big band era.

In case of rain the concert will be postponed until the following Tuesday evening at 7 p.m. All Recreation / Community Schools outdoor summer concerts are free to the public.

Bloodmobile

The Department will sponsor the annual Town Employees Bloodmobile Friday, Sept. 1 from 10 a.m. to 4 p.m. in the East Junior High cafeteria. Anyone willing to donate blood may schedule an appointment by calling the Department.

Summer is a difficult time for the Red Cross to obtain sufficient quantities of blood and the Labor Day weekend is one of the peak times of need. On behalf of the Town Employees, the R/CSD urges the community to help fill this critical need.

Playgrounds

Pre-School

For the past two weeks at Doherty playground the pre-schoolers have been kept quite busy.

On the Monday of August 7 the pre-schoolers took a trip to the police and fire stations. This trip included "A grand tour" of the two station houses and a visit to the jail. It was an exciting day for all!

On Tuesday "A grande tour" was once again resumed for the pre-schoolers at West.

On Wednesday we spent the day playing games and making and eating playdoh! (An interesting experience).

Thursday was again spent eating, when

the playgrounders had a barbecue. The leaders did a fantastic job of cooking the hotdogs and hamburgers! My congratulations on a job well-done!

And on Friday there was still more eating in store, the playgrounders took a field trip to the Rose Glenn Dairy and ate chocolate chip and strawberry ice cream while taking a tour.

More recently the pre-schoolers have had a fun day playing on the equipment at Recreation Park and the West playgrounders had a "parents' day" on Tuesday Pancakes, waffles, coffee cake and juice. The parents also participated in fun parachute games and a sing-a-long.

Wednesday was another "parents' day" but this time it was at Doherty. Once again the day was full of fun and excitement with games and refreshments. The watermelon bout and coffee cakes were a huge success. All in all these past weeks have been full of fun and excitement.

Immune

Sharks seem to be immune to bacteria and virus. It is not known how a shark's immunity system works except that it has three types of antibodies, the most powerful system of any organism, Massachusetts Audubon points out.

IT'S 11:36 P.M. AND YOU NEED MONEY FAST.
DO YOU KNOW WHERE YOUR BANKER IS?

Like most of us, he or she is probably in bed snoozing away or counting sheep. Which is fine and dandy until you need to make an emergency cash withdrawal or deposit. Then what do you do?

Well, now you can rest easy, because Essex Broadway has the answer to the "after banking hours problem". It's **TellerMate/24**, an automatic teller service that lets you do

your banking 24 hours a day, 7 days a week, 52 weeks a year.

YOU CAN USE TELLERMATE/24 TO:

- make withdrawals up to \$100 a day in cash
- make deposits to any EB account
- make mortgage payments
- make loan payments
- transfer money from one EB account to another

At any hour night or day, rain or shine. Plus it's absolutely free to use.

ENJOY A FREE TELLERMATE TREAT!

Come see a **TellerMate/24** demonstration at our Andover office, 211 North Main Street. When you do, you'll have a chance to win a FREE

brand-name gift from our TellerMate Treasure Chest or a nifty FREE gift from our grab bag of goodies. It's a

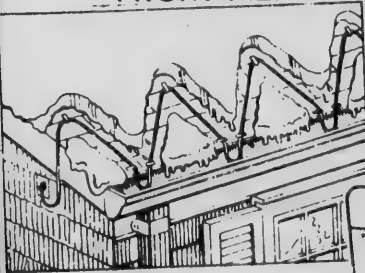

great way to discover the convenience of 24-hour banking and have a lot of fun doing it.

We're the one to bank on.

Swimming Classes Ending

Swimming classes at Pumps Pond, sponsored by the Department of Recreation/Community Schools, come to the end of their season tomorrow. Above: Linda Saalfrank instructs Erron Wallis, 7, in the Beginner's Class while at right, it's Pam Bartow giving intermediate lessons in diving to Mary Beth Hobbs. Below: Joy Stafford, an advanced beginner.

Computers

(Continued from Page One)

that greater response of the town to citizen needs in the area of services, could be evident within 12 calendar months.

From an original field of 35 vendors, the committee systematically narrowed its choices until arriving at two PDP 11/70 systems from Digital Equipment Corp. of Maynard, hardware for both town and schools. They opted for two separate systems, Orfanedes said, because of the sheer volume involved.

The committee then chose a software system developed by ADMINS, Inc. of Cambridge, which specializes in municipal purposes, and packages developed by the Minuteman Regional Vocational Technical School in Lexington, currently installed at Greater Lawrence Vo Tech, for the school.

The town's PDP 11/70 would be located on the second floor of town hall and the school's, at the Vo Tech, particularly in order to take advantage of the latter's software, at no cost.

Orfanedes explained that no new personnel would be needed, particularly not a "high priced programmer." He said a town employee could be reclassified to be an information specialist and that person could in turn teach others how to use the terminals. He said it should take only a couple of hours to learn to operate the simple ADMINS terminals.

Another factor in choosing the DEC computers, he said, was their "flexibility."

When asked if the new equipment would really make running the town more efficient, Town Manager Jared S.A. Clark noted that one vast improvement would be made in the area of water and sewer billing. Right now, he said, the town is several months behind in knowing what the income from those utilities will be, due to the town going on a flat rate system a year ago. He said the town could be \$40,000 to \$50,000 behind or ahead.

He said ADMINS will allow the town to know what vital funds are available to invest at a strategic time. When you're talking about \$22 million in gross revenues, he said, it can add up to a significant amount.

He said they could more than offset the additional cost of going to this sophisticated approach in that one cash management area alone.

He said reports will be more valuable because they'll be more timely and, he said, there's always the possibility of reducing the support staff in various offices.

He said that the Manchester, N.H., Police Department was able to cut back from eight to four clerks when they used ADMINS to analyze their crime statistics. Also in the police area, he said, more timely analysis of activity reports will enable the department to better deploy

personnel.

When the fire department responds to a fire, he went on, the computer will eventually be able to call up the condition of various buildings, where the utilities are, if there are people who require special medical services and other important information. This will provide better safety for the firefighters, he said, as well as enabling them to better respond to citizen needs.

Supt. Kenneth R. Seifert said the school department would now be able to "begin" to get efficient. There will be vast improvement in the area of payroll, he said because it now takes about three weeks to find out the status of the paper and pencil payroll operation.

He said the computer will eliminate a tremendous amount of duplication, and will have a great impact on inventory control.

He said the schools now have more accurate information on achievement results of programs than on what the schools pay for the programs.

Most important, he said, "we won't be operating a school system that's after the fact."

By July, Orfanedes said they expected the ADMINS system to be handling town budget, accounting, water and sewer billing, police and fire records, revenue distribution and treasury collections.

In response to other questions, Or-

fanedes noted that the five-year lease of the equipment would cost only \$40,000 more than outright purchase, and that they would have a four-hour guaranteed response with DEC in the service area.

The town is looking for approximately six to eight terminals to start while the schools, which already have 15, are seeking another 25 now, and may be looking eventually for up to 130, to be used for instructional purposes.

Seifert said they'll be training teachers to build special lesson plans into the computer, and they've talked to other towns about trading programs.

Serving on the computer committee, which has been meeting for more than a

year, were Martin Arick, John Baker, Albert Del/Checcolo, David Dickey, Sharin Luti, Harry McCormick, "ex-officio," Barbara Botsch, Sheldon Cohen, Leo Griffin, Casimir Kolaski, Edward Maguire and Wendell Mattheson.

Orfanedes indicated that the committee would be keeping tabs on the progress with a formal review in a couple of years.

Old and dead trees provide roosting and nesting holes for mammals and birds. Eleven species of animals make cavities but many more use them, Massachusetts Audubon tells us. In one acre of forest there should be five holes or dens of different sizes for wildlife.

Many School Personnel Changes

The School committee Tuesday night approved an increase in pay and responsibilities for David Axelrod, who has been serving as hall monitor at the high school.

Supt. Kenneth R. Seifert asked that he be able to give David Axelrod a couple special projects in addition to monitoring, and up his pay from \$6,000 to \$10,000 a year.

Axelrod will take on a program of "internal suspension," or providing activities in lieu of sending a pupil out of the school building for a few days as a punitive measure, and also a work program for youths who don't have homework.

Seifert said they could, for instance, clean up the cafeteria or other areas of the school.

He said Axelrod who is a certified teacher, has been "truly effective" as a monitor, and said his new responsibilities would make his job that of a "hall counsellor."

Axelrod will be reporting back to the committee on his job in November.

Seifert was also allowed to hire a full-time painter, Carmen Consoli, for \$11,027. The school committee a few weeks ago turned down a request for additional funds for a painter, but Seifert said he'd prefer having a painter even at the expense of losing a teaching position.

A host of personnel changes were approved with by the school committee Tuesday night, beginning with the retirement of Frank Emmert, junior custodian at West Jr. High, who has been with the system since 1967.

Also resigned were Kathleen Benenati, special needs teacher at Bancroft; Frank Chicarelli, industrial arts at the high

school; Mary Down, special needs instructional aide at Bancroft; Terry Healy, Grade 5 at Bancroft; Carolyn Hetley, school nurse at Shawsheen and West Jr. High; Donna Magane, special needs instructional aide at East Jr. High; Josephine Pasquale, teacher aide at West elementary; Corinne Regan, math teacher at East Jr. High; Virginia Rossini, math teacher at West Jr. High and Lois Sergi, special needs instructional aide at East Jr. High.

Norman Ross resigned from his senior custodian position at Shawsheen to return to his former position of junior custodian at the high school.

Elected during the summer, with contracts effective Sept. 1, were: James Batchelder of Andover, to teach art at Sanborn at a salary of \$10,901; Susan Brown of Cranston, R.I., health at East Jr. High, \$10,901; Evelyn Cullinane of Maynard, phys ed at the high school, \$11,547; Elizabeth Desjardins of Andover, Spanish at East Jr. High, parttime, \$4360; Helena Halperin of Arlington, social studies at the high school, \$11,973; Patricia Hildebrandt of Andover, reading at East Jr. High, \$11,973; Richard Irving of Belmont, school adjustment counselor, \$12,470; Karen Koon of Boston, art at the high school, \$16,427; Jo Ann Lakow of Andover, math at West Jr. High, \$13,613; Cecelia Lynch of Norwood, health education resource teacher, \$14,114.

Also: Deborah Madden of Saugus, business education at the high school, \$12,010; Joseph Pappalardo, Jr., of Salem, N. H., social studies at West Jr. High, part-time, \$4360; Debra Scheinfeld of Rockaway, N.H., speech and hearing specialist, \$11,973; Eugene Verschoor of

Harrison, N.Y., industrial arts at the high school, \$10,901; and Hilary Waldinger of Cambridge, reading at the high school, \$12,971.

Also: Elsie Barnard of Nashua, N.H., guidance at the high school, \$14,656; Jeffrey Kelly of Weston, English at the high school, \$13,613; Susan Morgan of Andover, math at the high school, \$10,901 and Gary Shapiro of Worcester, math at East Jr. High, \$12,971.

The appointments of Claude Marchessault of Littleton and Howard Sherman of Cambridge as school adjustment counselors, at \$11,973 and \$12,470 respectively, have been made, dependent upon receipt and continuation of federal Title I and VI funds. Provisional appointments subject to Civil Service approval, were made of Fred Lemay of Andover, as senior custodian at West Elementary School, \$12,348; and Arthur Trudeau of Lawrence, senior custodian at Sanborn at \$12,348.

Also appointed were Carmen Consoli, of Methuen, painter, at \$11,027 a year and David Axelrod of Lawrence, for special projects at the high school for 1978-79, \$10,000.

Darlene Flint of Andover was transferred from her former position as clerical aide at West Elementary, to secretary to the principal there.

Winner Of Wright Award

Susan Serbagi, daughter of Mr. and Mrs. Russell Serbagi, 53 Wildwood Road, received the coveted Adeline Wright Award upon her graduation from Bancroft School in June. The certificate and \$5 are given annually in recognition of enthusiasm, school spirit and cooperation, by former teacher Adeline Wright, at right. With them in photo is Principal John A. Coyle.

Sinbad Comes To Aquarium

Interspersed with live aquatic exhibits, dolphins, seals, and sharks, Sinbad, the swashbuckling adventurer of Arabian Nights' fame will sail across the Aquarium's screen over the Labor Day Weekend bringing to life his 7th voyage to the legendary Isle of Colossa.

This feature length, color film, "The 7th Voyage of Sinbad," will be shown at 1 p.m. and 3 p.m. Saturday, Sunday, and Monday. There is no charge other than regular Aquarium admission.

Organ Concerts Continue

Methuen Memorial Music Hall presents Philip A. Beaudry, organist and organ builder, in the 13th Wednesday evening program, Aug. 30 at 8:30 p.m.

Beaudry's program includes Prelude and Fugue in G. Major, BWN 541 — Johann Sebastian Bach; Suite Gothique (Introduction and Minuet — Priere a Notre Dame — Toccata) — Leon Boellmann; Toccata in E Major, BWN 566 — Johann Sebastian Bach; Symphonie II (Allegro — Choral — Sherzo — Cantabile — Final — Louis Vierne.

A native of Worcester, Beaudry studied organ in that city with Charles Hickman and T. Charles Lee, and continued his studies in organ and church music at Boston University under Theodore Marier. From 1962 to 1965 he worked as an apprentice at the Andover Organ Company in Methuen, and in 1966 went into business for himself as an organ builder. The firm of Philip A. Beaudry & Company now occupies the former Kershaw Organ Works in Lowell.

Beaudry has concertized widely in the New England area, and has served as organist of several churches.

NICK RIZZO

SEND HIM TO CONGRESS. FOR ALL OF US!

Nick Rizzo's life has been spent helping people — as an educator, a scientist, a criminologist and a physician. Now he'd like the opportunity to represent all of us in the 5th District more directly. As our Congressman.

More than 45 years ago, Nick Rizzo helped his immigrant parents by working as a coal miner in pit #4 in Pennsylvania. Most recently, he served as Director of the Lawrence Court Clinic. In between, he's seen the bright side and a lot of the dark. He's seen that progress in working with problems like health, crime, unemployment and drugs comes from concern, knowledge and dedication. Not from lifetime politicians who seek one stepping-stone office after another.

Like most of us, Nick Rizzo feels that bigger government and unwise spending aren't the solutions to the crushing problems of taxes and inflation. He thinks all of us want more decision-making returned to the individual; and that's what he's going to fight for.

Nick Rizzo feels this election is especially important. He's made proposals (call or stop by for a brochure) and he feels all of us should know where every candidate stands. So he's challenging all candidates for Congress to a series of debates or public forums,

before both primaries, anywhere and anytime.

Nick Rizzo is the only "non-pol" seeking to represent us. As a new-comer, his lack of exposure makes him a distinct underdog. But as a person who's tried to help many of us — and as a candidate whose only interest group is all the people — we urge his support. We feel — by background, by knowledge, by concern and capabilities — Nick Rizzo should go to Congress. For all of us.

WHAT HE'S DONE.

- Graduate — Kansas, Harvard (PhD, Education), Boston University (MD).
- Medical Officer — U.S. Army; Major, Asst. Div. Surgeon — Mass. National Guard.
- Private medical practice and service at Children's Hospital, Mass. General, Peter Bent Brigham, Lawrence General and others.
- Director — Lawrence District Court Clinic; Consultant — Mass. Rehabilitation Comm.; Editor — international criminology journal; Author — more than 20 publications on education and medicine, many on how to best deal with crime.

WHAT HE WANTS TO DO.

- Make better use of the skills and knowledge of our senior citizens.
- Combat inflation through reduced government spending and giveaway programs.
- Promote the "work ethic" and new private/public partnerships to fight unemployment.
- Harness the Merrimack River and exploit coal, wood, grain-to-ethanol to provide environmentally-sound energy self-sufficiency.
- Promote a National Health Plan based on private insurance company competition.

WHY YOU SHOULD ELECT HIM.

- He's been there, with all of us, from coal miner to court doctor.
- He's worked on problems from drugs to criminals.
- He believes all of us, regardless of party label, stand for less government, fiscal sanity and individual growth.
- He can provide fresh thinking, backed by 40 years of experience, to a system in dire need of this.

NICK RIZZO FOR CONGRESS. SEPTEMBER 19, REPUBLICAN PRIMARY.

Mrs. James C. Zampell

Zampell - Sullivan

Christine M. Sullivan of Andover and James C. Zampell of Beverly were married August 12 at Collegiate Church of Christ the Teacher, Merrimack College.

The bride is the daughter of Dr. and Mrs. James B. Sullivan, formerly of Andover and now of Hampton, N.H., and Hollywood, Fla., and the groom is the son of Mr. and Mrs. Thomas J. Zampell of Beverly.

The Rev. Brian Lowery, O.S.A., officiated at the 5 o'clock Mass, while Martha King provided vocal music, and Mary Lanigan served as organist. A reception followed at the Andover Country Club.

Given in marriage by her father, the bride wore a floor-length gown of white

Auxiliary Lawn Party

Ladies Auxiliary 42 to Clan Johnston will hold a lawn party at the home of Mrs. Minnie Thomson, 8 Brechin Ter., Saturday from 2 to 5.

Committees include Bakery, Margaret McCafferty, Irene Burgess and Margaret McDavitt; Gifts, Ruby Swithenbank and Jen Scott; Miscellaneous table, Nan Lindsay and Anna Keltie and Tea, Edith McDonald, Ella Petrie, Ann Driscoll, Minnie Thomson and Ina Petrie.

The public is invited.

silestra trimmed with Venice lace, and a finger-tip, mantilla style veil of lace trimmed with English netting. She carried a bouquet of white roses, freesia, lace flowers and baby's breath.

Mrs. Moira Reed of Andover attended her sister as matron of honor, and bridesmaids included Mrs. Susan Chenoweth of Lindenwald, N.J., Kathleen Bedia of Manchester, N.H. and the groom's sister, Maryann Zampell of Beverly.

They wore floor-length gowns in light blue, and carried bouquets of daisies, delphiniums and pink carnations.

Mrs. Sullivan chose a floor-length gown in turquoise for her daughter's wedding, and wore a white gardenia corsage, while the groom's mother wore a long gown in peach and a white orchid corsage.

Thomas J. Zampell, Jr., of Wenham served as his brother's best man, and ushers included John A. Genest of Framingham, Michael R. Vail of Ipswich and Joseph V. Buoniello, Jr., of Greenlawn, Long Island.

The new Mrs. Zampell, a graduate of Merrimack College, is a teacher at Andover West Jr. High School, while her husband, also a graduate of Merrimack College, is affiliated with Zampell Refractories, Inc., of Beverly.

After a wedding trip to Aruba, they will be making their home in North Andover.

Continuum Grows To New Home

Continuum, the non-profit career education program formerly housed in Waltham, has moved to more spacious quarters at 785 Centre St., Newton, on the campus of the Newton Country Day School.

In announcing the move, Rita Schore, executive director and co-founder, stated, "The Growing demand for our program and ancillary seminars necessitated the move to a larger facility. The Newton Country Day School offers the additional office and classroom space we need, readily accessible to the Mass Pike, Route 9 and other major arteries."

The Continuum program initiated in 1974, offers a nine-month educational curriculum to prepare mid-life women for entering or re-entering the world of work. It is a comprehensive program, combining on-the-job experience, classroom learning, and workshops for career and personal development. Chartered in 1974, Continuum is a school licensed by the Department of Education of the Commonwealth of Massachusetts.

Women enrolled in the program, which begins Sept. 25 this year are guided in the selection of three consecutive internship positions chosen from a broad variety of opportunities in business, industry, professional offices, government and non-profit agencies. Internships last approximately three months each, during which time Continuum students also participate in career counseling sessions and skill building workshops.

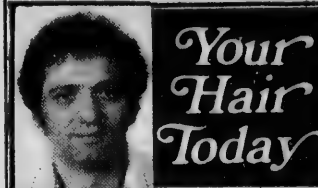

Described as a training ground for mature women seeking more specific focal points to their lives, the program is now entering its fourth year. Of the more than 65 graduates to date, close to 95 percent are employed in areas that match their individual interests and needs.

In addition to the nine-month curriculum, Continuum has initiated a short-term career counseling service that

provides career guidance on a one-to-one basis for working and non-working men and women. The short-term service will include vocational testing, skill assessment, evaluation and recommendation. The new service is available by appointment.

Further information regarding the program, its objectives and requirements and the career counseling service may be obtained by calling or writing Continuum at its new address.

Have you ever wondered why medieval women had such high foreheads, they actually didn't. Because elaborate headdresses were fashionable then, medieval ladies plucked the hair on their foreheads and necks. They used a mirror to help them see, and performed this practice in public, which was actually considered less shocking than applying make-up. In Elizabethan England, the beauty rituals were hardly less shocking as women swallowed a mixture of gravel, tallow and ashes in an effort to make their skin the identical bleak shade of Elizabeth's.

SUPER CUT HAIR SALON, 93 Main St., 475-3711 reminds you that every beautiful make-up begins with a clean, glowing skin. Ask our cosmetologists about the complete selection of Redken, Jhirmack and KMS skin care products we feel privileged to carry. Every customer, man, woman or child receives personalized service at **SUPER CUT HAIR SALON**. Hours: Mon-Sat. 9-5, Thurs. and Fri. open til 7.

HELPFUL HINT: Make sure to get plenty of sleep the night before having your photograph taken.

Accepted At Bunker Hill

Susan E. Davies, 828 Water St., North Andover, has been accepted at Bunker Hill Community College in Charlestown for the Fall semester, it has been announced by Dr. Harold E. Shively, president.

Named To Dean's List

Four Andover residents have been named to the Dean's List for the spring semester at Suffolk University in Boston.

They include Susan M. Darwin, 9 Millstone Cir., Keith W. Kauppila, and Paula J. Eldridge, 29 High St., all seniors in Liberal Arts and John J. Narkewich, A4 Colonial Dr., a sophomore in the College of Business Administration.

Frederick Peterson, Former Dean Wed

Elisabeth McClure Thomas, daughter of Mrs. Barton Thomas and the late Harrison Thomas of Princeton, N.J., was married Sunday in Casco, Maine, to Frederick Almond Peterson of Andover.

The Rev. Philip A. Zaeder, chaplain of Phillips Academy, performed the ceremony at the Casco Village Church.

The bride, a graduate of Radcliffe College, recently received her J.B. degree from the University of California at Berkeley and will join the law firm of Herrick and Smith in Boston this fall. She served as dean of the summer session at Phillips Academy and subsequently was assistant dean of Yale College and dean of

Yale's Pierson College.

Her husband is a graduate of Phillips Academy and Yale and holds a master's degree from Harvard. He also studied at King's College, Cambridge, England. He is a member of the faculty of Phillips Academy, on the Elizabeth Milbank Anderson Foundation, and was chairman of the academy's recent Bicentennial Celebration.

The maid of honor was Elizabeth Caney of Cambridge, Mass., and the best man was James Anthony of Valdosta, Ga.

A reception following the ceremony was held at the home of the bride on Thompson Lake in Casco.

Walker - Hurlburt

Lindsey Heywood Hulburt, daughter of Mr. Robert P. Hulburt of Phillips Academy and Mrs. Helen Hulburt of Littleton, was married Saturday to S. Bradley Walker. The groom is the son of Dr. and Mrs. Richard Walker of Columbia, S.C.

The wedding took place at the summer home of the bride's sister, Mrs. John McIlvaine, in Georgetown, Maine.

The new Mrs. Walker attended Andover

schools and graduated from The Ethel Walker School in Simsbury, Conn., and the University of Pennsylvania, with a bachelor's degree in art.

Her husband, a graduate of St. Andrew's School in Middletown, Del., also graduated from the University of Pennsylvania, with a degree in history.

They will be making their home in Colorado.

Play Group Registration Open

Pre-School Play Group registrations are now being accepted at the Andover-North Andover YMCA for the fall term.

Director Mary Driscoll will plan and supervise the program with daily assistance of mothers. The group will be held at the YMCA, 165 Haverhill St., Monday, Wednesday and Friday mornings

from 9 to 11:30 a.m. Boys and girls 3 to 5 years of age are eligible.

Each 10-week session includes activities in the gym, a weekly swim, crafts, stories, quiet and active games and use of the new outdoor play equipment. The fall term starts Oct. 2.

Details are available at the YMCA office.

Nursing Review Course

A Pharmacology Review Course for Merrimack Valley R.N.'s and L.P.N.'s will begin Sept. 5 at Bon Secours Hospital and continue every Tuesday and Thursday evening for 13 weeks.

Aug. 27

Commercial oil production in the U.S. began Aug. 27, 1859, in Titusville, Pa.

The course will provide clinical comprehensive pharmacology information from a nursing perspective, including a complete review of the anatomy with respect to drug action, an examination of drug classifications, interaction, side effects and drug therapy.

Faculty will include instructors from the Pharmacy and nursing in-service departments of Bon Secours.

YOURSELF

Living, circa 1978, presents a lot of problems, but also offers a great many interesting ways to solve those problems. The Division of Continuing Education and Community Services at Northern Essex Community College has pulled together for the fall semester a broad sample of living skills courses. Try self-hypnosis, people in transition, the life planning workshop or creative problem. Or, try parapsychology, time management, communication skills for couples, dream management, adult stages or bio-rhythms and numerology. If you're a woman, try one of the following features: women counseling women, modeling and poise, personal financing for women, women - yesterday/today/tomorrow, or a new literature course, Women's lives - Recorded and Imagined.

Mrs. Edward A. Need

Need - Smith

Linda Suzanne Smith, daughter of Mr. and Mrs. Stanley W. Smith of Basking Ridge, N.J., was married Saturday, Aug. 12, to Edward Adams Need, son of Dr. and Mrs. John L. Need of Andover.

The ceremony was performed in Bishop Janes United Methodist Church, Basking Ridge, by the Rev. Wilbur A. Thomas of Basking Ridge and the Rev. Eugene R. Widrick of the First Religious Society of Carlisle, Mass. The ceremony was a Unitarian-Universalist service written by the couple.

A reception followed at Rod's 1890 Steak House in Convent Station, N.J.

The bride wore an empire gown of white satin Peau, featuring a scoop neckline, bishop sleeves and a ruffled hemline ending in a chapel train. The gown was accented with Alencon lace and crystal beading. Her walking-length mantilla was bordered with matching lace and held by a cap of lace and pearls.

Pamela Kaye Smith, sister of the bride, was maid of honor. Other attendants were Harriet R. Hancock of Louisville, Ky., Margaret W. Harryman of Charlottesville,

Va. and Barbara Helen Need, sister of the bridegroom.

Christopher Y. Skudder of St. Albans, Vt., served as best man, and ushers included Edward H. Weiss of Belle Harbor, N.Y., Peter B. Hansbury of Plaistow, N.H. and Andrew L. Need of College Station, Tex.

The new Mrs. Need, an alumna of Ridge High School recently graduated from Williams College, Williamstown, Ma., with a double degree in mathematics and economics. She is currently employed as an actuarial/management trainee with Northwestern Mutual Life Insurance Co., in Milwaukee, Wis.

Her husband, an alumnus of Andover High School, is also a recent Phi Beta Kappa graduate of Williams College, and an associate member of Sigma Xi. He received his degree magna cum laude with highest honors in geology, and will be entering the University of Wisconsin-Madison for graduate study in September.

The couple will live in Oconomowoc, Wis., after a wedding trip through New York and southern Canada.

Farm Fairs Abound

The common interests of farmers and consumers is the focus of Massachusetts Agriculture Week, which runs through Sunday.

Both groups share the benefits of keeping farmland in production across the state, says the Massachusetts Department of Food and Agriculture.

The "Massachusetts Farm Tour" on Aug. 24 is the perfect chance for consumers to learn more about farming. A bus tour of four farms in Bristol County begins at 12:30 p.m., followed by a chicken barbecue and speeches by Governor Michael Dukakis and Congresswoman Margaret Heckler.

A food and agriculture exhibit at City Hall Plaza in Boston today and tomorrow will feature a 2500 pound fiberglass "incredible edible egg" and omelette making

demonstrations.

Agriculture Week is also a likely time to visit one of the growing number of some 25 farmers markets across the state, or one of the more than 300 roadside farm stands.

Agriculture fairs to enjoy during Agriculture Week include the

Marshfield Fair, through Sunday; the Hillside Agricultural Fair at the Cummington Fair Grounds, tomorrow through Sunday, and the Rehoboth Fair in Dighton, Saturday to Monday.

FIREARMS

If you are looking for hands-on training in the use of firearms, take the course offered this Fall by the Protective Services Training Institute of Northern Essex Community College. FIREARMS FAMILIARIZATION offers practical experience, in a training environment, in the use, handling and discharge of firearms. Emphasis will be on gun safety and safe firing procedures. The course includes classroom instruction, demonstrations and actual firing of a Practical Pistol Course and a Close Combat Course. This program is of special interest to in-service and pre-service law enforcement and security personnel, but is open to the general public also.

School Bells To Ring Sept. 7

Andover school youngsters will return to school Sept. 7, two days after their teachers congregate for preparation day."

The school committee will also have its first session of the 1978-79 season Sept. 5 at 7:30 p.m. in Stowe School. An anticipated topic is whether to allow varsity soccer to play on the varsity football field.

Bus routes, homeroom assignments and other relevant data will appear in next week's TOWNSMAN.

Lyons-Wragg

(Continued from Page One)

Clark is also still deliberating over the \$6000 transferred by the Finance Committee last Thursday night to help settle the civil rights suit brought against Lyons, Wragg and colleague George Olesen, by Regan. Clark declined to comment further on the possible Regan payment until, he said, he had completed discussions with other town officials.

He reiterated that the goal was to put the issue in the past, "without any comment on the merit or differences in philosophy of any of the considerations."

"I don't see protracted litigation as being in the best interest of the town," he said, and added that the problems were not of the making of either the current board or selectmen or administration.

In a suit still pending in U.S. District Court, Regan seeks \$150,000 in damages from the three former selectmen, charg-

ing them with conspiracy and civil rights violations when they voted in April of 1974 not to rehire him as assistant superintendent.

Lyons and Wragg last month lost a bid in Superior Court to force the town to pay at least \$10,000 in legal fees incurred in the suit. A superior Court Judge ruled that the town was not obligated to pay, but criticized the town for not looking after its elected officials.

Lyons and Wragg hired their own defense attorney, while Olesen accepted the one hired by the town.

Shark Meat

A 400-pound shark yields 112 pounds of edible meat, 20 pounds of dried meal, 8½ gallons of liver oil, and three pounds of fins and hide, Massachusetts Audubon says. In North American waters about 100 men fish for shark. The meat must be processed immediately after capture; it can be salted but not canned.

Benefit Sale For CLASS

A bake sale and flea market to benefit CLASS (Citizens' League for Adult Special Education) will be held Saturday from 10 to 4 at 147 So. Union St.

Proceeds will go toward programs for the adult retarded in the Greater Lawrence area and eventually toward a building for an adult sheltered workshop.

Dr. Larry Larsen is president of the group and members serving on the committee include Betty

Kidwell, Connie Gaudet and Jo Stell.

A good way to save gas, says the Auto Club of Merrimack Valley, is

simply to relax. Tense, aggressive drivers generally are chronic lane changers and tend to move constantly from the accelerator to the brake.

COMMONWEALTH OF MASSACHUSETTS PROBATE COURT

Docket No. 336894

Essex, ss.

To all persons interested in the estate of AGNES M. WELDON, otherwise known as AGNES WELDON late of Andover in said County, deceased.

A petition has been presented to said Court for Probate of a certain instrument purporting to be the last will of said deceased by JAMES P. WELDON of Andover in the County of Essex, praying that he be appointed executor thereof, without giving a surety on his bond. GEORGE F. WELDON, the first named executor in said will having deceased.

If you desire to object thereto you or your attorney should file a written appearance in said Court at Salem before ten o'clock in the forenoon on the fifth day of September 1978, the return day of this citation.

Witness, ALBERT P. PETTORUTO, Esquire, First Judge of said Court, this twenty-seventh day of July, 1978.

JOHN J. COSTELLO, Register
Aug. 10, 17, 24, 1978

In 1825 the first investigation into the relationship between child labor and school attendance was conducted in Massachusetts.

MEDIA

You can concentrate your studies this Fall in the Division of Continuing Education and Community Services at Northern Essex Community College in the basics of several media arts. Journalism I, English Composition I, Broadcast Reporting and Announcing, Use of Audio/Visual Materials and Introductory Photography are offered as part of the MEDIA ARTS CONCENTRATION. You could use these courses on-the-job right now, use them as preparation for more training in the field, or transfer them to a degree program in Liberal Arts (check with a counselor about transfer). Concentrations are a new technique designed by Northern Essex to help you channel your studies effectively.

Manager Seeks Compromise

Library Friends Oppose Moves

The Friends of Memorial Hall Library met in "emergency" session Tuesday night, drawing many of their 21 board members back from vacation to add their unanimous opposition to the possible ouster of the Eastern Regional Library Systems from the Theater Building.

Town Manager Jared S.A. Clark's recent proposal to evict the regional library to make room for town offices also met with strong opposition from the Library Trustees last week, despite a general go-ahead from Selectmen.

The trustees were primarily concerned about their working relationship with the regional library, which has occupied the first floor of the theater for the past two years.

However they also feared loss of storage space for Memorial Hall Library, and the Friends, in the statement they prepared Tuesday night, picked up on both concerns.

They said they believe "removal of any part of the Andover Library or the affiliated regional library center from the

Theater Building would be a serious loss to the townspeople of Andover.

"Currently our library shows the fifth highest use rate in the state. Our library was built to house 100,000 volumes. Currently we own 140,000 volumes, a figure which continues to spiral upward. Our space needs have and can continue to be met through storage provided by the adjacent Theater Property.

"The Boston-based Eastern Regional Library, also housed in the Theater

Building, not only provides revenue to the town through an \$9,000 annual rental fee, but is a convenient source of ready reference material, including the popular films which provide the base for our children's room, nursing home, and other special programs. The regional library has made a sincere \$27,000 investment to date.

"It is understandable that they would not wish to make an additional commitment to Andover, because alternative space offered to them has not been accompanied by a long-term lease offering protection for their investment. Moving the regional center will also add to town costs in the form of books transportation."

The statement concluded that "We sympathize with the Town's need for additional space to house its newly created departments and computer system, but we feel there is other vacant space owned by the town that could combine parking ease with long-range expansion possibilities to suit town office needs. We are concerned that an attempt to interfere with the library's use of the Theater Building will cause a credibility gap among the voting public.

"Certainly the townspeople in October, 1975, had no intention of acquiring the Theater Building as a second Town Hall."

The Friends had been instrumental in acquiring the theater building, and cited expanding space needs, additional parking and increased patronage as reasons for the property's desirability. The acquisition was approved by a 529 to 9 vote of Town Meeting.

Clark said this week that "everyone's going to have to give a little" in the library matter, because the "success of installing the new data processing equipment in town hall depends on it."

He said that he didn't have exact square footage figures, but that there would "clearly" be space in the theater building for Memorial Hall storage, plus some room for storage growth there in the future.

Clark will be meeting in September with a representative of the regional library.

While they were on a year-to-year lease, Clark said they had indicated "great disappointment" at not being able to stay

LaMancha Held Till October

Responding to the unprecedented demand for tickets to "Man of La Mancha" starring Broadway original Richard Kiley, producer Eugene V. Wolsk has extended the Boston Music Hall engagement for four additional weeks, through Sunday, Oct. 1. With the large seating capacity of the centrally located, air conditioned theatre, this means over 100,000 additional seats have been placed on sale for the month-long extension period, Sept. 5 through Oct. 1.

There are some seats still available for most pre-Labor Day performances, especially Saturday night shows at 8 p.m. and Sunday Matinees at 2 p.m. and evenings at 7:30 p.m.

Richard Kiley will perform his now legendary role of Don Quixote, singing "The Impossible Dream" and the other immortal songs by Mitch Leigh (music) and Joe Darion (lyrics) at all performances in Boston including the extension period through Oct. 1, except Saturday Matinees at 2 p.m., when the role will be taken by Metropolitan Opera star John Reardon.

Tickets for all performances are on sale in person at the Music Hall Box Office (268 Tremont St.), from 10 a.m. to 8 p.m. daily; by calling Theatrecharge to charge tickets to a major credit card, open from 10 a.m. to midnight daily; and at all Ticketron outlets through Massachusetts, R.I., N.H., Maine and Conn.

A Group Sales Department at the Music Hall assists groups of 20 or more in buying blocks of tickets to all performances of "Man of La Mancha," with discounts offered only for all Saturday matinees.

"Vesuvius, the Volcano that Buried Pompeii," is one of the current exhibits at the Museum of Science in Science Park.

To Seek Police Captain

Town Manager Jared S. A. Clark may create a temporary captain's position for the police department to serve "from now until the law says Chief Nicoll must retire."

Clark told selectmen Monday night in conference session that he felt it was only fair to a successor to be in on the transition period, and Chief David Nicoll is scheduled to retire in September, 1980.

Clark asking the selectmen to insert an article in the October Town Meeting, which would allow him to use some \$18,000 in "anti-recession fiscal assistant payments" for the purpose.

He said he does not like to see one-time federal or state money plugged into fixed aspects of the town, but rather prefers using such grants on "projects of a temporary nature."

Asst. Town Manager Sheldon Cohen added that the town already received a \$9500 check in July, which is sitting in the bank, and is expecting another one of approximately \$9000 the first week in October.

Clark said he has already called for Civil Service exams for chief and captain, and said that he and Chief Nicoll agree that the person who is going to be his successor should be officially recognized in advanced and have an opportunity to be involved in administrative changes that may be made as a result of recommendations last year by the Public Administration Service.

Mosquito Topic A Shoo-In

The ANDOVER TOWNSMAN *The Second Front Page*

AUGUST 24, 1978

*Summer's
Over...*

Playground counsellor Kate Normandy and Beth Snyder, 3, console each other last Friday, the last official day of the summer playground program. Beth was one of the pre-schoolers at Doherty.

Mosquitoes, the perpetual topic about town, will once again get a hearing at town meeting.

Selectmen were told during their conference session Monday night that a West Andover group seeking a solution to the pests has enough signatures on a petition to place the matter on the Town Meeting Warrant.

The Warrant officially opens Monday at 8:30 a.m. in the Town Clerk's office, and will close Friday, Sept. 15 at 4:30 p.m.

Meanwhile, Sharin Luti of Cross Street, who is heading the anti-mosquito forces, and some of her committee, were to meet yesterday afternoon with Town Manager Jared S. A. Clark, Public Works Director Robert McQuade and a representative of the Essex County Mosquito Control unit to discuss possible alternatives.

The selectmen Monday night also discussed several other articles that might appear on the warrant, including one to change spring town elections from March to November.

Asst. Town Manager Sheldon Cohen said that town elections, preceding town meeting by four weeks as they do, cause a "convulsive" period, particularly for new board members who have to make major decisions as newcomers.

He said a change to fall would allow the board to function in tact through the budget process that precedes town meeting.

Selectman Jim Abramson favored the change from the standpoint of new selectmen, but added that a fall election insures a better turnout, because it would be tied to state and/or federal elections.

Colleague Susan Poore said it would "eliminate a dreary election," and Cohen added that it would also save the town the cost of another election, since the fall ones have to be held anyway.

Even if the article is presented and approved, however, it would still have to go before the state legislature, which would mean another two or three years before fall elections would become a reality here.

While on the subject of elections, Chairman Al Cole asked that a study be made of polling places with thought to moving them to central locations.

He said that when the precincts were changed a year ago, some polling places were placed "way out at the end of a long, narrow district."

"A lot of residents have ceased to vote," Mrs. Poore said, "because of that."

She also noted that someone representing the handicapped had called her

Medical Firm May Move Here

Instrumentation Laboratories of Lexington, a medical firm that manufactures analytical medical instruments, has expressed a desire to move its headquarters and plant to a 50-acre site in Lowell Junction.

Town Manager Jared S. A. Clark said Wednesday that representatives of the firm are tentatively scheduled to meet with selectmen Monday night to discuss possible sewer hook-up to a new facility.

If the firm does locate here, Clark said it could mean a \$10 million investment by industry in Andover this year.

Which gets better mileage?

If you guessed the Honda GL-1000 you were almost right. It gets 40 mpg. If you guessed the new Rabbit Diesel, you get a perfect score. According to EPA estimates it gets 52 mpg on the highway and 39 in the city with a standard transmission. Mileage may vary depending on how and where you drive, optional equipment and your car's condition.

JACK ANDERSON WITH JOE SPEAR WEEKLY SPECIAL

Nixon and Connally Keeping in Touch

WASHINGTON — Richard Nixon is still lying low at his isolated estate in San Clemente, Calif. Nonetheless, we have learned that the ex-president is maintaining contacts with the man he favors for president. Nixon's favorite candidate has always been John Connally, down in Texas.

Reliable Republican sources have told us that Nixon and Connally are on the phone to each other often these days. This continues an alliance that began when Connally broke with the Democrats and became a trusted adviser to the Nixon administration.

Our sources say the two men consult by phone on a semi-regular basis, perhaps once a month. On these occasions, Nixon gives advice to the ambitious Texan. Connally particularly relies on Nixon for foreign policy guidance.

For instance, the former treasury secretary is quick to pick up the phone and call San Clemente if he needs advice on such issues as China. In return, Nixon initiates calls to Connally on economic affairs. Our sources say Nixon seeks Connally's views on the battered dollar in Europe, trends in the stock market and energy problems.

The Nixon-Connally connection isn't a new development. In fact, Nixon wanted to replace Spiro Agnew with Connally as his running mate in 1972. Nixon confided to intimates that the Texan was

one guy who could take over his job.

Only Agnew's strong support among conservatives and Connally's background as a lifelong Democrat prevented Nixon from making the switch. Later, Agnew resigned from office over a bribery scandal. Again Nixon wanted Connally as vice president. But this time, Connally was involved in the milk scandal, and Nixon was obliged to turn to Gerald Ford as his vice president.

Now Connally has been acquitted of the milk scandal charges. He's back in the political arena, itching to throw his hat in the presidential ring. Republican sources told us he has already collected the biggest campaign chest and has put together the best political organization of any prospect. If he makes a bid for the Republican nomination, he may get some quiet help from Richard Nixon.

Border Confusion: Two government agencies have been playing a bewildering game of ring-around-the-rose on our borders. Customs agents are supposed to keep illegal drugs and contraband out of the country. Immigration agents try to stop illegal aliens from entering.

But the two agencies operate independently. They have trouble even talking to one another, since they use different radio frequencies.

The confusion is worse at night. That is when most of the illegal activity transpires. An Immigration of-

ficial described the border patrolling as chaotic. He told us that Customs agents, Immigration officers, drug smugglers and illegal aliens are out there "stumbling around in the dark."

Several times, he said, agents operating on different radio frequencies have "come close" to exchanging shots.

Recently, top Immigration and Customs officials agreed behind closed doors to coordinate their efforts. They will instruct their field agents to cooperate with one another. The two agencies also agreed to develop a joint computer system and to test an airborne infra-red system.

Finally, they agreed to adopt the same radio equipment. They will start communicating with each other as fast as they can phase out the old equipment.

Perilous Apparel: Navy men are trained to face enemy missiles, planes and warships. But they also may be in danger from their own uniforms.

The Naval Safety Center has discovered that the polyester in naval uniforms could cause serious burns to the seamen who wear them. Apparently, polyester melts when it gets overheated. This can produce third-degree burns upon contact with the skin.

The Safety Center learned about the problem from a seaman who was burned when his overalls began melting. The center immediately began a series of tests. The tests

confirmed that Navy uniforms can get too hot for comfort.

The Center notified the Pentagon of the danger of polyester. But the Navy has refused to do anything about the problem. A Navy spokesman told us that polyester uniforms will continue to be purchased. They look snappier, he said, and they are easier to maintain.

Perilous Paintings: West Germany has asked the United States to return a few of the 8,000 paintings that were seized during World War II. The scenes depict Nazi weapons and soldiers, and the State Department wants to make sure they will not stir up a wave of militarism in Germany. The Pentagon wants to give the pictures back. Since Germany presently maintains the largest land-based force in NATO, the brass hats point out, it is a little too late to worry about rekindling the military spirit amongst Germans.

Headlines and Footnotes: Bureaucracy trimmers at the Interior Department recently did away with the old Bureau of Outdoor Recreation. They changed its name to the Heritage Conservation and Recreation Service ... Secret Service agents learn to give mouth-to-mouth resuscitation by practicing on mannequins ... A new Energy Department study says that automobile fuels can be made from coal for as little as 18 cents a gallon.

Down The Years With The Townsman

75 Years Ago — August, 1903

Last Sunday, at the South Church, Oliver Vennard was the surprised recipient of a liberal purse, presented to him by George A. Parker in behalf of the congregation of the church as a token of their appreciation of his faithful services over the last 20 years as sexton of the church.

Miss Blanche Jacobs of West Roxbury, who has been a teacher at Needham and will begin her duties teaching English at Punchard this year, is in town and will live in the Ramsdell House on Whittier street.

Supt. Lovejoy had crushed stone spread over part of Pearson street, yesterday, and then had it rolled by the steam road roller, leaving a surface for that part of the street.

Lester Hilton, pitcher for the Unions, pitched a winning game for the Andovers against the Beacons of Lawrence, last Saturday, Labor Day and Supt. of Schools Palmer states that he will generally be

available between now and the opening day.

50 Years Ago — August, 1928

David M. Scott, Pacific Mills overseer, of 19 Avon Street, has been awarded four prizes in the gladioli show conducted by the Massachusetts Horticultural Society in Boston.

Congressman Edith Nourse Rogers of Lowell visited Andover Friday, meeting with constituents for two hours at town hall. She reported optimism with regard to construction of a new post office for the town.

The McCue construction Co. of Watertown has been awarded a contract by the state to construct a new section of River Road from Laurel Lane to the Tewksbury line at a cost of \$13,089.

Boston lost on all four rinks to the Shawshen Bowling Green club, 59-50 last Saturday afternoon, in a match played at the local bowling green.

The current edition of "House Beautiful," contains an article featuring the house at 57 Central street, entitled, "Two Homes Into One," written by Miss Mary Byers Smith.

25 Years Ago — August, 1953

A special town meeting, in a turbulent session Monday night, voted to continue rent controls here by a vote of 218 to 92.

Edward H. Henderson, 80 Essex St., has been appointed a temporary firefighter, pending certification of a civil service list.

Bill Leahy of the Indian Ridge team pitched a no-hit, no-reach game for his club in defeating Ballardvale 4-0 last Saturday night.

The school committee has elected two new teachers, Mrs. Phyllis S. Crane for home economics and Paul S. Hopkins of Lawrence as science teacher in the junior high.

A crowd of over 600 attended the annual water carnival held at Ponds pond Sunday afternoon.

The Public Forum

To The Editor of the Townsman:

I am writing to protest the shabby way in which the issue of library services in the town of Andover is presently being handled.

I was at the town meeting in October, 1975 at which it was overwhelmingly voted to expand the space and service capability of Memorial Hall Library — and for that purpose, the theater building was purchased. Since that meeting, the services of the library and demands upon it have consistently increased, and the need for storage and expansion space has never been greater. Anyone familiar with the mechanics of library service would be tremendously impressed by the high quality of service achieved by Memorial Hall within the cramped quarters it now occupies.

By following the recommendation of Town Manager Jared S.A. Clark to utilize the theater building for town offices, the intent and spirit of the '75 town meeting is not being respected. This action will not only prevent future expansion, but will result in the loss of space already being used by the library.

In considering a recent court case involving the Town of Andover, a judge commented pensively that the town was within its rights to take certain actions, but in taking these actions, Andover would show itself to perhaps not be the best place for one to commit oneself to the highest level of public service, and the town recognized this fact in the fall of '75 by a vote of town meeting. Why should this vote be compromised during private meetings in the summer of '78?

I urgently request that the theater building be reserved for the purpose it was originally intended — the future growth of library services in Andover.

Sea Yarns Featured At Museum

Friday night, Sept. 1, at the Peabody Museum of Salem, Pete Marston and The Starboard List will entertain the Museum audience with a selection of sea chanties and yarns from yesterday. The rollicking rhythms of the songs and the sometimes earthy stories of the men who sailed before the mast have a universal appeal.

The traditional sailor's instruments; penny whistle, concertina, and guitar which the group plays, are a spirited accompaniment for their lively songs.

The group consists of Pete Marston, Charles O'Hegerty and David Jones, who is coming from New York for this appearance.

The program begins at 8:30 a.m.

Temple School Plans Set

Temple Emanuel Religious School has announced plans for the opening of school Sept. 11. The is associated with Temple Emanuel in Lawrence, an affiliate of the Union of American Hebrew Congregations.

Weekday classes are held in Andover and Sunday classes in the temple building in Lawrence. The school is staffed by professional teachers who have been trained in Judaic subjects as well as teaching techniques.

Temple Emanuel welcomes students from grades one through 10. Its curriculum includes Hebrew Language — reading, writing, and speaking-prayer, and Judaic studies including history, Bible, ethics, customs and ceremonies. The curriculum is enriched with arts and crafts, music, audio-visual aides and special holiday celebrations.

Registration will take place Wednesday and Thursday Sept. 6 and 7. Classes begin Monday, Sept. 11. For further information call the school office.

Evolution Theory Is Topic

On Sunday, Aug. 27 at 7:30 p.m., a seminar entitled "Science Supports the Scriptures" will be held at the Free Christian Church on Elm Street, Andover. With slides and lectures, two scientists from Joshua Creation Ministries will present the latest information about such fascinating topics as dinosaurs, cavemen, Noah's Flood, the formation of the Grand Canyon, and the like.

For over a century, the theory of evolution has exerted a profound influence on the thinking of modern man. Until recently, this foundation has remained virtually unchallenged by both the scientific and religious communities and is still taught as established fact in public schools today. However, there exists much scientific data which contradicts evolution theory, indicating that the universe was designed for a purpose by a personal Creator.

Saturday at 6:30 p.m., Joshua will be performing contemporary Christian music live at Andover Memorial Park. Both events are sponsored by Joshua Christian Ministries and the Turning Point Coffeehouse. Admission is free and open to the general public.

call to tell them what you plan to bring and that you are planning to be there, so they might prepare for you. The food is always delicious, the companionship very special. Why not call them today? They can be reached at 475-3968 or 475-4165.

The Haven is planning a very special theater party for Saturday, Sept. 23 — 'The Man Of La Mancha' at the Boston Music Hall and starring Richard Kiley. They have arranged for the best seats in the house — orchestra seats — and the bus will leave The Haven about 12:30 and return about 5:30. The cost for the performance and including door-to-door transportation is \$15. Don't delay. This is a very special opportunity. Get to The Haven as soon as possible to reserve your ticket.

The Eastern Exposition in Springfield will have a bus load of Andover citizens present Thursday, Sept. 14, and you are invited to be part of the group. It will cost you \$7 which will cover your transportation and the price of admission. The bus will leave The Haven about 9 a.m. returning about 7:30 p.m. You will have the additional expense of food while you're there, but what you spend will be up to you. Sign up at The Haven.

Seats are going fast on the Fall Foliage trip to Squam Lakes Resort in Holderness, N.H. Oct. 3 is the date and it will cost \$12.50. The price includes the tour as well as luncheon and entertainment at the Squam Lakes Resort. The Fall Foliage trip is always extremely popular and reservations will go quickly. Stop by The Haven and let them know you want to go.

Every Wednesday from 2 to 3 p.m., Andover's Public Health nurse is at The Haven for you to talk to. You do not need an appointment. If you have a problem and would like a knowledgeable, understanding person to discuss it with, Mary Hamilton is the one to see. Every Wednesday at The Haven from 2 to 3.

Every week somewhere in Andover there is a session of the Mini-Clinic, where you can go to have your blood pressure checked and discuss other health problems with nurses trained to assist. Urinalysis is also part of the service. The schedule for the month of September follows: The Haven, Tuesday, Sept. 5 from 2 to 4; Chestnut Court, Tuesday, Sept. 12; Ballardvale, Sept. 19; and Frye Circle, Sept. 26. By appointment only.

Square Dance Openings

The Shuffling Smoothies Square Dance Club has invited beginner and "club level" dancers to join them for classes and workshops beginning at 8 p.m., Sept. 12, at the North Reading Moose Lodge on North Avenue.

Classes will be held open for three weeks.

Final Weekend For Show

The Theater at Brooks goes on in the true tradition.

Last week-end Virginia Montella, who was playing the leading role in the last production of the season, The Gingerbread Lady fell ill, but tickets had been purchased in advance and audiences were expecting a show. Pamela Palmer, the Company's artistic director, went on stage Saturday night with script in hand. The audience was offered a choice of a refund, but when lights went down, not one person left the theatre.

Gingerbread Lady, written by Neil Simon is a comedy drama about a middleage alcoholic fighting sobriety and life. Simon's quick lines and bitter humor help

audiences to laugh at the pathos. Pamela Palmer will continue in the role of Evy Meara through the run of the show. Performances will continue Thursday through Sunday at 8 p.m.

Aids Young

The U. S. Labor Department reports that more than 50 percent of all Comprehensive Employment and Training Act resources are being spent on young people, 16-22 years old,

through part-time and work-experience projects, summer jobs, and the Job Corps.

OBITUARIES

THE TOWNSMAN, AUGUST 24, 1978

WALTER M. LAMONT, JR.

Walter MacLeod Lamont, Jr., of Woodbury, Conn., originally of Andover, died Saturday after a long illness.

Born in Andover, Mr. Lamont attended Tabor Academy in Marion and Phillips Academy, and graduated from Yale University's Sheffield Scientific School of 1932. During World War II, as a lieutenant commander in the U. S. Navy, he was assigned to the 8th Special Battalion and helped form one of the earliest "See Bee" battalions. He was also officer in charge of Construction Battalion Maintenance Unit 619, stationed at Attu, Aleutian Islands.

He was later associated with the Scovill Mfg. Co. in Waterbury, Conn., and worked for Fletcher-Thompson Architects, an architectural and engineering company in Bridgeport, Conn. He was a member of the Connecticut Society of Civil Engineers.

Mrs. Lamont is survived by his wife, Mildred Santore Lamont, and several nieces and nephews.

Funeral services were held Monday evening at the Lundgren Funeral Home, Andover, and a graveside service was held at 11 a.m. Tuesday in West Parish Cemetery, Andover.

KACHADOOR DARGHOONIAN

Kachadoor Darghoonian, 83, 51 Argilla Road, Andover, a dairyman, died Sunday at the Lawrence General Hospital after a short illness.

Born in Chunkoosh, Armenia, Mr. Darghoonian was formerly employed at Colombo, Inc. as a dairyman until his retirement in 1973. He arrived in the United States in 1912 and lived briefly in Lawrence before moving to Andover in 1936.

Private services were held Tuesday at 11 a.m. at the Farrah Funeral Home, 70 Lawrence St., Lawrence.

THOMAS J. PEARSON

Thomas J. Pearson, 86, 196 Elm St., Andover, a retired architect, died last Thursday at Anlaw Nursing Home in Lawrence after a long illness.

Born in Yorkshire, England, Aug. 9, 1892, he came to Lawrence in 1907 and graduated from Lawrence Evening High School. After working in the Arlington Mills for a short period, Mr. Pearson began a new career as an apprentice draftsman in the office of architect James E. Allen.

When Mr. Allen retired in 1931, Mr. Pearson acquired the business and as a registered architect was associated with the firm until retiring in 1957. He had also served as a member of the Lawrence Planning Board, the Zoning Board of Appeals and the Lawrence Development Authority.

He designed the Lawrence High School Annex and other schools in the area, including work on the Lahey, Oliver and Leonard Schools. He also was instrumental in designing the first veterans housing, and the housing for the elderly in Lawrence. Mr. Pearson was a 50-year member of Phoenician Lodge, A.F. & A.M., a member of Royal Arch Chapter, a past commander of Bethany Commandry of Lawrence, and also a member of Aleppo Temple Shrine of Boston.

He also was a former director of

Lawrence General Hospital and a director of the Community Savings Bank in Lawrence.

He is survived by two sons, Thomas J. Pearson Jr. of Methuen and Howard R. Pearson of Santa Maria, Calif.; a daughter, Mrs. Shirley A. Monro of Honolulu, Hawaii; a brother, Walter Pearson, with whom he resided; and 11 grandchildren.

Funeral services were held Monday at 11 a.m. at the Frederick E. Allen & Son Funeral Home, Lawrence. Cremation took place in Linwood Cemetery, Haverhill.

Memorial contributions may be made to Lawrence General Hospital.

JAMES A. O'GORMAN JR.

James A. O'Gorman, 60, 174 Bradford St., North Andover, a local insurance and real estate broker, died last Thursday at the Bon Secours Hospital after a long illness.

Born in Lawrence, July 23, 1918, Mr. O'Gorman was educated in local Lawrence schools. He was owner of the O'Connell Insurance Agency Inc., of Lawrence. A veteran of World War II, he served in the U. S. Marine Corp. Mr. O'Gorman was a parishioner of St. Michael's Church. He was a member of the Independent Mutual Insurance Agents of New England, the Lawrence Board of Realtors, and the South Lawrence Associates. Mr. O'Gorman was past secretary and treasurer of the Horseman Benevolent Protective Association of Mass. and New Hampshire, and was a former chairman of the Lawrence Board of Health. Mr. O'Gorman was also active in local political circles.

Survivors include his wife, Jeanne (Kamieneski) O'Gorman; a daughter, Miss Kathleen O'Gorman of North Andover; a sister, Alice, wife of Howard McKew of Salisbury; a brother, Joseph O'Gorman of Great Falls, Va.; and several nieces and nephews.

A funeral Mass was held Monday at 10 a.m. in St. Michael's Church. Burial was in Immaculate Conception Cemetery, Lawrence.

Memorial contributions may be made to a charity of one's own choice.

FRANCES T. HEELY

A memorial service will be held at noon on Saturday, Sept. 16, at The Lawrenceville (N.J.) School, for Frances Thompson Heely who died July 12 at Saranac General Hospital, Saranac Lake, N. Y.

Mrs. Heely was widow of the late Allan V. Heely, who was a master of Phillips Academy before becoming headmaster of The Lawrenceville School from 1934 to 1959.

Mrs. Heely, who was 74, considered a

generation of Lawrenceville students as her own. During World War II she maintained an active handwritten correspondence with more than 2,000 alumni of the school in the armed forces.

After moving to Keene Valley, N.Y. on the death of her husband in 1960, she continued to correspond with numbers of friends and alumni, to whom she was universally known as "Pattie." A new infirmary at Lawrenceville was dedicated in her honor two years ago.

A memorial service was also held at the Congregational Church in Keene Valley on Thursday, July 20.

HENRY V. LENANE

Henry V. Lenane, 83, a longtime resident of the Lawrence area, died at the home of his daughter, Mrs. Christian Jr. Matthew, 275 Vista Grande, Greenbrae, Calif. on Aug. 5 after a long illness.

Born in Lawrence March 18, 1895, Mr. Lenane was first associated with the Frank E. Lenane Ford Agency. He also spent many years with Smith Motor Co. and before moving to California in 1954, was with the Lawrence Plate Glass Co. He was in the glass business in Vallejo, Calif., for 20 years before he retired at age 79.

He is survived by his daughter, six grandchildren and several nieces and nephews. Burial was in San Rafael, Calif. Memorial contributions may be made to St. Mary's Hospital and Medical Center, San Francisco, or a charity of one's choice.

BENJAMIN KAPELSON

Benjamin Kapelson, 90, 175 Main St., North Andover, former owner of Ben's Toggery Shop, Essex Street, Lawrence, died at the Lawrence General Hospital following a long illness.

Born in Worcester, he was a resident of the Greater Lawrence Community for the past 70 years. Mr. Kapelson was a member of Temple Emanuel and its brotherhood and the Lawrence Lodge 162 Knights of Pythias.

Survivors include his wife, Sarah (Nichelson) Kapelson; a brother David Kapelson of North Andover, and several nieces and nephews.

Services and interment were held last Wednesday at 12 noon at Temple Emanuel Cemetery, Andover.

Funeral arrangements were under the

Annual Races Set For Merrimack

Dress Rehearsal

Dave Patullo, 58 High St., Andover, practices on Ames Pond for Sunday's annual Merrimack River Canoe Race. He's in a handmade, redwood strip kayak.

Local canoe and kayak enthusiasts are looking forward to Sunday's canoe races on the Merrimack River, one of the largest such events in New England.

The start and finish line is at the boat ramp just above the Lawrence Dam, upstream from the Rte. 28 bridge.

The Merrimack River Canoe Race, sponsored by the Lawrence Recreation Department and the Merrimack Valley Canoe Club starts at 2 p.m. Sunday, rain or shine, with registration from 11:30 to 1:30.

Canoeists with little or no experience are encouraged to join in the "Recreational" classes. There are trophies for a variety of canoe types and combinations of paddlers, such as; two-

First Submarine

A Dutch physicist, Cornelius Drebbel, built the first submarine in London in 1624. It was manned by 12 rowers whose oars protruded through sealed ports.

man conventional, two-man aluminum, adult and youth, and male and female.

Highlight of the competition is the War Canoe Class, won last year by the "State of Maine." Should the "State of Maine" win the race this third year in a row, the City of Lawrence Cup will be theirs to keep.

Free refreshments will be provided to all entrants and soft drinks, beer and hot dogs will be available starting at noon for both spectators and racers.

Additional information regarding the race may be obtained by calling the Lawrence Recreation Department or Dave Dargie, 5 Patricia Cir., Andover.

Dolphins Moved

The New England Aquarium's dolphin theater 'Discovery' will be moved to dry dock for its regular inspection and maintenance Sept. 5. There will be no dolphin and sea lion performances at the Aquarium through September.

The 'Discovery' will reopen to the public Sept. 30, with a new program. Meanwhile, dolphin stars Cathy, Spit, Apollo, Neptune, Peach, and Dixie will be moved to the main Aquarium building, where they will be one of the first exhibits visitors will see.

Relax And Save Gas

A good way to save gas, says the Auto Club of Merrimack Valley, is simply to relax. Tense, aggressive drivers generally are chronic lane changers and tend to move constantly from the accelerator to the brake. Steady driving patterns can save 20 percent or more in gasoline.

Bowling Is Fun!
Bowling Is For
Everyone!

Lets Talk About Salt

There is a vast difference between mass-produced "table" salt and sea salt. All salt is sea salt or was at one time. However, processed "table" salt is made of uniformly refined crystals — made that way by being subjected to 1200 F. heat. In addition potassium iodide (iodine) is added. Iodine oxidizes rapidly when exposed to light so then dextrose (sugar) is added to stabilize the iodine, however, it turns the salt purple so sodium bicarbonate is added to bleach out the color. Finally the salt is coated with sodium silico aluminate to make it free flowing.

Natural salts, dried by the sun or by mild kiln-drying temperatures still contains trace minerals. The Earthfood Store sells natural sea salt.

Football Warriors Begin Practice

The Andover High Golden Warrior Football Team will report for double session practices Monday at 8 a.m., and continuing daily at 8 a.m. and 5 p.m. through Sept. 1.

An intersquad game has been scheduled by Coach Dick Collins for Saturday, Sept. 2, and the first outside scrimmage will be held at the home Eugene V. Lovely Field against North Andover on Labor Day morning at 10 o'clock.

Equipment will be issued to all candidates today from 6 p.m. to 9 p.m., and any player who has not yet had a physical

exam is asked to report to the High School nurse's office tomorrow between 8 and 9 a.m.

Collins says 14 lettermen, headed by Co-Captains Ed Collins, Len Driscoll and Manny Silva, will be returning. Seniors include Dave Alexander, Mark DeFranco, Ken Dillon, Paul Farnham, Dan Grams, Jeff Hudgins, Ray Lynch, Kevin Peters, Ed Reming and Doug Starkweather. Dave Nardonne is the lone returning junior.

The team's first regular season game will be at home, against Class A Wakefield on Saturday, Sept. 16.

Soccer Tryouts Monday

Pre-season practice will begin Monday at 9 a.m. for Andover High soccer, both varsity and junior varsity teams.

All persons interested in trying out are asked to report to the high school field, ready to practice.

Coach Dave Amundsen expects a large turnout, particularly because all starting positions are up for grabs, having been

vacated last year by graduating seniors.

Amundsen says there will be two sessions a day for the first week, with normal practice after the Labor Day weekend.

Youths who have not had physicals may report to the nurse's office at the high school tomorrow at 8 a.m. sharp.

Amundsen also noted the sport's increase in popularity over the last few years, and the fact that last year's team did a "fine" job qualifying for the state tournament.

To Attend Dartmouth

Bill Best, three-year letter winner and captain of the Phillips Academy football team, will attend Dartmouth College this fall.

Best will be playing for Big Green first year coach Joe Yukica. In prep school he also competed for the track and ice hockey squads.

He plans to major in mathematics while at Dartmouth, looking toward an eventual career in engineering.

Best is the son of Mr. and Mrs. George Best of Phillips Academy.

To Enter Trinity College

Catherine Fitzgerald, daughter of Mr. and Mrs. Thomas Fitzgerald of 13 Hall Ave., Andover, will enter Trinity College as a freshman this fall. Trinity is a Catholic, women's liberal arts college located in Washington, D.C.

Ms. Fitzgerald was a 1978 graduate of St. Mary's High School.

Trash Fish

New England "trash fish" that could be used are: monkfish or anglerfish whose white meat is popular in the Mediterranean area; yellow eel which can be filleted, and spiny and smooth dogfish (rock salmon) popular in Europe, Massachusetts Audubon points out.

Gymnasts In Final Meet

The Recreation / Community Schools Department's summer gymnastics program concluded Aug. 10 with an informal competition for both the fundamental and advanced skills classes. Ribbons were awarded to winners of the first three places in each event.

Special recognition awards were presented to Debbie Donovan and Meredith Pugliz for their outstanding floor exercises exhibitions.

Winners in other events were as follows:

Fundamentals Class

Floor exercise — 1st Diane Nelson, 2nd Sarah Moseley, 3rd Melissa Coco.

Vaulting — 1st Beth Shallop, 2nd Sarah Moseley, 3rd Pam Ouellet.

Beam — 1st Beth Shallop, 2nd Stephanie Rogers.

Uneven Bars — 1st Molly Corkery.

Advanced Class

Floor Exercise — 1st Laura Grams, 2nd Sarah Crowley, 3rd Cynthia Ahles.

Vaulting — 1st Sarah Crowley, 2nd Rachel Healey, 3rd Becky Healey.

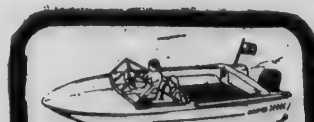

Beam — 1st Laura Grams, 2nd Becky Healey, 3rd Rachel Healey.

Uneven Bars — 1st Rachel Healey, 2nd Becky Healey, 3rd Micaela Corkery.

Girls' Volleyball Begins

Athletic Director Richard Swift has announced that girls' high school volleyball will begin Monday at 9 a.m.

All interested girls are to meet in front of the high school, prepared to begin practice at 9 o'clock sharp.

Girls 11 and under: 1) Nicole Denaso 34.4, 2) Janice Mackey, 3) Katie Robb.
Girls 12: 1) Susan Lutz 31.5, 2) Marianne Nuzzo.
Open: 1) Marianne Morrison 29.5, 2) Mavra Dispensa, 3) Terianne McGettrick.

Completes Basic Training

Airman Daniel Long Jr., son of Mr. and Mrs. Daniel Long of 32 Forber Ave., North Andover, has been selected for technical training at Sheppard AFB, Tex., in the Air Force aircraft maintenance field.

The airman recently completed basic training at Lackland AFB, Tex., and studied the Air Force mission, organization and customs and received special instruction in human relations. Completion of this training earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

Airman Long is a 1978 graduate of North Andover High School.

Visible Camels

Camels — hard to see in the dark — have caused so many night-time automobile accidents in the Middle East that all camel owners are now required to purchase phosphorescent harnesses for their animals, says the Auto Club of Merrimack Valley, local affiliate of the AAA.

The United States imports nearly half of the petroleum it consumes and that cost comes to more than \$45 billion annually.

MAGIC

A number of special interest courses are offered by the Division of Continuing Education and Community Services of Northern Essex Community College this Fall which simply won't fit into the usual course categories. They are, in alphabetical order, ANTIQUES, ANTIQUE HOUSES IN ESSEX COUNTY, AVIATION GROUND SCHOOL, BASIC BOATING SKILLS, HANG GLIDING GROUND SCHOOL, HOME BUYER and BUILDER BEWARE, MAGIC and RADIO BROADCASTING. Of course, there are plenty of courses in the broad categories: health courses for professionals, physical education courses, courses in art, crafts, living skills, music and dance, and self-development. And, a special program of courses for women.

Appointed Marketing Manager

James L. Peterson has been appointed marketing manager for Hewlett-Packard's Andover Division, according to Burt Dole, the division's general manager.

Peterson, 36, formerly was European regional medical manager for Hewlett-Packard, responsible for planning and managing marketing strategies and sales of HP medical electronic instrumentation.

In his new position, he replaces Ben L. Holmes who was recently named marketing manager for HP's Medical Products Group, headquartered in Waltham.

Peterson will be responsible for worldwide sales and support of the Andover product lines — cardiovascular diagnostic instruments including electrocardiographs, cardiac stress testing systems, physiological graphic recorders, and computer systems for catheterization laboratories and ECG management.

He joined HP in 1967 as sales support engineer for the Waltham Medical Division and in 1970 transferred to HP's European headquarters in Geneva to become a field engineer selling medical electronics equipment in eastern European countries. After serving as a product marketing manager for two years at HP's German operation, he was named marketing manager for the facility in 1974. He was reassigned to Geneva in 1976 to become European regional marketing manager.

Peterson has a bachelor's degree in mechanical engineering from the University of Washington and a master's degree in business administration from Stanford University.

Company Donates To College Fund

The New England Colleges Fund, Inc., which includes Merrimack College, recently received a \$3,000 check from the International Harvester Foundation. This year's gift raises total financial support to NECF by the IH Foundation to \$74,500.

The support is on behalf of IH's truck, agricultural, industrial and construction equipment operations in Massachusetts. IH Foundation has contributed over \$5 million for the financial support of private colleges and universities since 1945.

Evening Courses At Aggie

Fourteen evening courses in the adult agricultural division at Essex Agricultural and Technical Institute are being offered area residents. Classes in the agricultural division meet one evening a week from 7 to 10 p.m.

Registration will be held in Berry Hall on Aug. 28 between 7 and 8:30 p.m. Class enrollment is limited and will be on a first come, first serve basis.

Courses will include greenhouse management, home vegetable gardening, home grounds landscaping and maintenance, horse management, backyard poultry, floral design, meat cutting and merchandising, indoor plant culture, maintenance of small air-cooled engines, small fruit culture for home grounds, principles and practices of nutrition, quality control and food sanitation, livestock management for home producer, and herb gardening.

Keene Is Armor Crewman

Pvt. Richard E. Keene, son of Mrs. Doris L. Keene, 29 Boston Road, Andover, recently completed training as an armor crewman under the One Station Unit Training (OSUT) program at Fort Knox, Ky.

OSUT is a 13-week period which combines basic combat training with advanced individual training.

During the training, students learn the duties of a tank crewman, including the firing of the tank's armament and small weapons. They also receive instruction in field radio operations, map reading and tank maintenance and repair.

Keene entered the Army in April of this year.

Nineteenth Century Magic

Robert Olson of Old Sturbridge Village will repeat the magic act of 19th century magician Richard Potter at the Museum of Our National Heritage in Lexington Sunday, Aug. 27. Performances will be held at 2 and 3:30, at no charge.

Richard Potter was the first successful native-born American magician. His first recorded public performance was in 1811 at the

Columbian Museum, in Boston.

He advertised his performances as "An Evening's Brush to Sweep Away Care; or...A Medley To Please." Besides the magic, he also featured

songs, ventriloquism, comic characterizations and dissertations. His wife

sometimes appeared with him in the show singing and dancing. Potter purchased a home in Potter Place, N.H., just

outside of Andover. He died in 1835 and was buried in a small family plot. The grave may still be seen by the old train station in

Potter's Place.

Olson faithfully follows pa Potter's performance, down to dress coat and tie,

LEGAL NOTICES

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by WILLIAM O. MUELLER and MARY ALICE MUELLER, to Salem Five Cents Savings Bank, dated November 26, 1976 and recorded in Essex North District Registry of Deeds, Book 1297, Page 258 of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at Public Auction at three o'clock p.m. on Thursday, September 28, 1978, at property situated at and commonly known and numbered as 38 River Road, Andover, Essex County, Massachusetts all and singular the premises described in said mortgage to wit:

Two tracts of land with the buildings thereon situated in Andover, Essex County, Commonwealth of Massachusetts, bounded and described as follows:

FIRST TRACT: Beginning at a point on the Southwesterly side of River Road, one hundred eighty feet Northwest from land formerly of Greenwood but now of Thompson, thence running Southwesterly one hundred eight feet by the second tract herein described and by land now or formerly of Hardy to a point which is one hundred forty-eight feet Northwestly of said Thompson land; thence turning and running Northwestly eighty-one feet by land now or formerly of said Hardy to a point; thence turning and running Northeastly one hundred ten feet by land of Hall, formerly of Hardy to said River Road; thence turning and running Southeastly eighty feet by said River Road to the point of beginning; containing 8,720 square feet of land. Being shown as Lot numbered five on plan of lots known as Hardy Homesites, Andover, Mass., dated August, 1939, Dana W. Clark, C.E.

SECOND TRACT: Northerly ninety-eight feet by the first tract described above; easterly eighty three feet by said River Road; Southerly ninety-seven feet and Westerly about eighty-three feet, the last two bounds being by land now or formerly of Hardy; containing 8,080 square feet. Being shown as Lot numbered four on plan of lots known as Hardy Homesites, Andover, Mass., dated December, 1941, Dana W. Clark, C.E.

Being the same premises conveyed to us by deed of Judith Ann MacKenzie dated August 4, 1972, recorded with Essex North District Registry of Deeds in Book 1199, Page 152.

Both of the Tracts above described will be sold at the time and place first designated above at Public Auction.

Terms of Sale: Said premises will be sold and conveyed subject to all unpaid taxes, tax liens, tax titles, municipal liens and assessments, if any, which take precedence over said mortgage. Two Thousand Dollars (\$2,000.00) of the purchase price must be paid in cash or by certified check payable to mortgagee at the time and place of the sale and the balance within twenty days at the office of the mortgagee, 210 Essex Street, Salem, Massachusetts.

If the highest bidder at foreclosure sale fails to complete his purchase and pay the balance of his bid in accordance with the foregoing provisions, any deposit made by him shall be forfeited and belong to the mortgagee as liquidated damages.

Other terms to be announced at the sale.

Essex, ss.

No. 342223

NOTICE OF APPOINTMENT OF EXECUTRIX

Estate of MARGARET T. SPINDLER late of Andover in the County of Essex.

NOTICE

A petition has been presented in the above-captioned matter praying that MAGDALENA T. KYDD of Andover in the County of Essex be appointed executrix without giving a surety on her bond. (Marjorie Watt Kydd, the first named executrix, having deceased.)

If you desire to object to the allowance of said petition, you or your attorney should file a written appearance in said Court at Lawrence on or before ten o'clock in the forenoon on the eleventh day of September, 1978, the return day of this citation.

It is ordered that notice of said proceeding be given by delivering or mailing by postpaid registered or certified mail - a copy of the foregoing citation to all persons interested fourteen days at least before said return day; and, if service be made by postpaid registered or certified mail, unless it shall appear that all persons interested have received actual notice, by publishing a copy thereof once in each week for three successive weeks in the Andover Townsman a newspaper published in Andover, the last

Lord's Shoe Store — Experienced Fitters, Top Lines

Lord's, Lawrence's oldest and
finest family shoe store is ready
to send your children back to
school in comfortable, good look-
ing and long wearing shoes from
Stride Rite, Kid Power, Hush
Puppies and Bass. The very
newest back to school fashions
from these makers of fine quality
shoes are now on display at
Lord's, 275 Essex Street,
Lawrence Intown.
The people who will serve you
at Lord's have many years of
shoe fitting experience and fit is
guaranteed. Lord's has been fit-
ting feet with quality footwear
since 1869. That's 109 years, so

you can be sure your child will
get the proper size and width in
the style best suited for his or her
particular foot.
Size records are kept at Lord's
and you will be notified when it is
time for a size check-up. If your
child requires corrective shoes,
Lord's can provide them accord-
ing to your doctor's prescrip-
tion.
So take advantage of all the ex-
perience and service which is
yours at this long established
shoe store, Lord's Shoe Store in
Lawrence. They have been "do-
ing their thing" longer than
anyone else in the shoe business

in all of Massachusetts.
In addition to children's shoes,
Lord's also has a complete
women's department, featuring
the finest brand names . . . as
well as a complete men's depart-
ment.
Remember, Lord's Shoe Store
is located at 275 Essex Street,
Lawrence Intown. There is lots
of validated free parking nearby.
VISA and Master Charge cards
are honored.
Be wise — shop early for back
to school shoes. And for the finest
brands to choose from and cor-
rect fit, shop at Lord's.

TAX-FREE HOUSE SALE IF OVER 65

A homeowner who is
over 65 or older may be
able to avoid all income
taxes on the profit from
the sale of his home if
he meets certain re-
quirements. The two
main ones are:

The house must have
been used as the tax-
payer's principal
residence for five of the
eight years preceding
the sale.

The adjusted sales
price of the house must
be \$35,000 or less. If you
sold for more than \$35,-
000, you can still avoid
tax on the gain at-
tributable to the first
\$35,000 of the sales
proceeds.

If husband and wife
own the house jointly,
only one has to be 65 or

older for the rule to ap-
ply. Unfortunately, this
tax exclusion can be
used only once.

You make the election
to exclude the profit by
attaching a signed
statement to this effect
with your tax return.
Check with an account-
ant or Internal
Revenue Service for
details and form
numbers.

If there is anything
we can do to help you in
the field of real estate,
please phone or drop in
at **THE HOWE AGENCY, 4**
Punchard Ave., An-
dover. Phone: 475-5100.
We're here to help.

ANDOVER EXCLUSIVE Incomparable Value!

Selectmen To Consider Pay Hikes

The selectmen are expected to act Monday on 5 percent across-the-board pay increases for independent town employees, when they meet in regular session at 7:30 p.m. in Memorial Hall Library.

Town Manager Jared S.A. Clark had also asked for reclassification and regrading of six specific positions, and a transfer of money from the Compensation Fund to accommodate them all.

However, he said this week that he'll be meeting once more with selectmen to discuss regrades and reclassifications. He said the selectmen, with whom he met in a two-hour executive session Monday night, basically feel the Comp Fund should be used for wage settlements which cannot be reasonably determined at the time of town meeting.

They do not feel, he said, the Comp Fund should be used to accomplish any significant policy changes or new programs or levels of service which were not subjected to the Town Meeting review process.

At last week's regular meeting, Clark sought changes in six of the 240 full-time non-union positions, including the raising of the assistant town manager position to the department head level, or from Level S-24 to S-26.

Clark has asked to upgrade the coordinator of elder affairs from S-11 to S-15; to reclassify the clerk-steno II in central purchasing to account clerk II; reclassify the clerk typist II in community services to administrative secretary; upgrade the account clerk I in retirement to account clerk II and upgrade the environmental

technician in community development from S-16 to S-19.

He said the selectmen feel some of the regrades and reclassifications should be part of the regular budget review process,

and not be brought up in an isolated context.

However, he said, they generally favor the five percent across the board for non-union employees.

Coming Next Week:

Back To School Issue

Home Room Assignments

Town Meeting

(Continued from Page 25)

because many polling areas are inaccessible. She said the law states that if a voter can't get in to the polls, the town has to provide a way to get the ballot to that voter.

It was the consensus of the board to support an article to increase the membership of the Zoning Board of Appeals from three to five members, and another to turn back the \$1320 received from the Recycling Auction to the recycling committee by way of the Public Works budget.

New Number For Schools Monday

The new telephone system for Andover schools goes into effect Monday, just as the busiest season is about to begin.

All calls to the system will be made to a central number — 470-1700 — and from there be connected to the appropriate department.

Calls within the system will be made by dialing three digits and school personnel will be provided with a list.
